

GOVERNMENT DEGREE COLLEGE RAYACHOTY, ANNAMAYYA DISTRICT, A.P. 516269

(Accredited with C grade by NAAC)

INSTITUTIONAL QUALITY POLICY

Govt. Degree College, Rayachoty maintains the perspective that quality is an outcome derived from continuous efforts over time, involving all stakeholders in the institution. The commitment to quality extends to every individual connected with the college. The institution seeks to foster a shared awareness of quality among teachers, students, parents, and the local community.

Govt. Degree College, Rayachoty, is dedicated to establishing and consistently achieving quality benchmarks with unwavering determination. The institution believes that the knowledge and skills acquired by its students should empower them to address individual, domestic, and social challenges, positioning them as catalysts for the nation's growth.

Objectives:

- To provide value and need- based quality education to all, especially the socially and educationally backward sections of the rural youth.
- To provide all supportive infrastructure and environment for achieving high standards in teaching and learning.
- To achieve excellence in education through continuous improvement in the quality of its services.
- To provide quality education for progression to higher education.
- To generate responsible citizens with good character and ethics.

The policy communication to all stakeholders, particularly staff and students, is to ensure the importance of the policy with regard to its meaning, relevance and commitment to it.
