(Accredited with C grade by NAAC)

Department of Botany

Memorandum of Understanding

Between

Department of BOTANY

Government Degree College, Rayachoti

And

Sri Balaji Plant Nursery, Rayachoti

This Memorandum of Understanding (MOU) is made and entered into on this 23.11.2021.

and between:

Department of Botany, Government Degree College, Rayachoti, located at Piler Road represented by Dr. Harshalatha, Principal.

And

Sri Balaji Plant Nursery, located at Ring Road, Piler Road, Rayachoti, represented by Y. Subba Ramaiah, proprietor, Rayachoty.

Purpose:

The purpose of this MOU is to establish a collaborative relationship between GDC Rayachoti and Sri Balaji Plant Nursery to promote academic, research, and community engagement activities related to Botany, Horticulture, And Environmental Sustainability.

Scope of Collaboration:

1. Student Internships and Training:

Sri Balaji Plant Nursery will provide opportunities for students of GDC Rayachoti to undertake internships and training programs in areas related to plant cultivation, nursery management, and horticulture practices.

The duration and structure of these internships will be mutually decided and communicated in advance.

2. Research and Development:

Both parties will collaborate on research projects aimed at enhancing plant breeding, propagation techniques, and sustainable horticulture practices.

Joint research findings will be shared and published in academic journals, with due credit given to both institutions.

3. Workshops and Seminars:

Sri Balaji Plant Nursery will assist in organizing workshops and seminars at GDC Rayachoty on topics related to Botany, Plant Care, Environmental Conservation, and the Medicinal properties of plants.

Experts from Sri Balaji Plant Nursery will be invited to deliver lectures and practical Demonstrations.

4. Plant Supply and Landscaping:

Sri Balaji Plant Nursery will support GDC Rayachoti by supplying plants for the college campus, contributing to the greening and beautification of the college environment.

Both parties will collaborate on landscaping projects within the college premises.

5. Community Engagement:

Joint community outreach programs will be conducted to raise awareness about environmental sustainability and promote home gardening practices among local residents.

Initiatives will be undertaken to educate the community on the benefits and uses of medicinal plants.

6. Awareness on Medicinal Plants:

Efforts will be made to create awareness among students about the identification, cultivation, and medicinal uses of various plants.

Educational materials and resources will be provided to students to enhance their understanding of medicinal botany.

7. Field Visits:

Regular field visits to Sri Balaji Plant Nursery will be organized for students and faculty members of GDC Rayachoti to observe and learn about practical aspects of nursery management and plant care.

These visits will include hands-on activities and interactive sessions with nursery staff.

Duration and Termination:

This MOU shall remain in effect for a period of three years from the date of signing. Either party may terminate this MOU by giving a written notice of 30 days to the other party.

Confidentiality:

Both parties agree to maintain the confidentiality of any proprietary or sensitive information shared during the course of this collaboration.

Amendments:

Any amendments to this MOU shall be made in writing and signed by both parties.

Dispute Resolution:

Any disputes arising from this MOU will be resolved amicably through mutual discussions. If a resolution cannot be reached, the matter will be referred to a mutually agreed-upon arbitrator.
