

## REPORT ON SHORT TERM INTERNSHIP G-MITRA

### Title: Internship Report: G Mitra Group - PVC Doors and Window Manufacturing

#### Introduction:

I am thrilled to submit my internship report after completing a short-term internship at G Mitra Group, a renowned small industry specializing in manufacturing PVC doors and windows. This internship provided me with valuable hands-on experience and insights into the manufacturing process, quality control, and business operations.

#### Company Overview:

G Mitra Group, established in 14-06-2022 is a leading manufacturer of high-quality PVC doors and windows. With a strong commitment to innovation and customer satisfaction, the company has carved a niche in the industry.

#### Objectives:

1. To understand the manufacturing process of PVC doors and windows.
2. To analyze quality control measures and ensure product excellence.
3. To observe and learn about business operations, management, and marketing strategies.

#### Key Activities:

1. Observed and assisted in the production process, including material selection, extrusion, fabrication, and finishing.
2. Conducted quality control checks on raw materials, semi-finished, and finished products.
3. Attended meetings with the production, sales, and marketing teams to understand business operations.
4. Assisted in designing and developing new product prototypes.

#### Key Learnings:

1. Understanding of PVC material properties and manufacturing techniques.

2. Importance of quality control in ensuring product durability and customer satisfaction.

3. Insights into supply chain management, inventory control, and logistics.

4. Effective communication and teamwork in a manufacturing setting.

Recommendations:

1. Implementing automation in certain processes to increase efficiency.

2. Expanding product lines to cater to emerging market trends.

3. Enhancing employee training programs for skill development.

Conclusion:

My internship at G Mitra Group was an enriching experience, providing valuable practical knowledge and skills. I appreciate the guidance and support from the team and look forward to applying these learnings in my future endeavors.

Acknowledgments:

I express gratitude to B.Eswaraiah, Lec In economics, and the entire G Mitra Group team for their support and guidance throughout my internship.

Please modify this report according to your specific experiences and observations during the internship. Good luck with your project.
