# INSTITUTIONAL PERSPECTIVE PLAN

GOVERNMENT DEGREE COLLEGE RAYACHOTI  
(AFFILIATED TO YOGI VEMENE UNIVERSITY)

## VISION AND MISSION STATEMENTS

### VISION:

To ignite the young minds of the rural, marginal and downtrodden sections of the society by providing them with quality based, value based, skill based, meaningful and futuristic education for their multi-dimensional development and empowering them as responsible citizens and global leaders by nurturing national values and ethos among them.

### MISSION:

- To nurture and provide a congenial learning environment.
- To foster social dynamism and spirit of leadership.
- To sustain quality in education system.
- To inculcate environmental consciousness.
- To follow learner centric methods of teaching.
- To encourage learner centric activities.
- To inculcate strong morals, secular and social values and ethics to cultivate responsible citizens.
- To assure physical fitness, stress free learning and mental well-being through sports and games and Yoga.
- To encourage teachers to upgrade their capacities from time to time by participating in capacity building programs for the benefit of students.
- To implement the qualitative enhancement initiatives initiated by commissioner of collegiate education.
- To equip the students with employable skills such as communication skills, analytical skills, soft skills, lab skills, life skills, management skills, drafting skills, generic skills like working in teams, time management etc.
- To provide cutting-edge educational programs that foster academic excellence and holistic development.
- To engage in community partnerships to promote social responsibility and Nation building through community service projects.
- To offer diverse opportunities for physical and practical learning experience.
- To prepare work ready graduates by promoting industry skills through internships to industry connect.

## SWOC ANALYSIS

### Institutional Strength:

- The institute is located in semi urban area.
- Nurtures Holistic and futuristic education.
- Well Qualified and Committed staff.
- Community Outreach Programs.
- Virtual and ICT enabled Class Rooms.
- Partially Computerized, Wi-Fi enabled Library facility, well stocked with a collection of more than 10,000 books on different disciplines, which is open other than college hours.
- Adequate and well-maintained physical infrastructure.
- Laboratories with adequate equipment.
- Sufficient Number of computers with latest configuration with UPS facility
- Separate Computer Science Lab and English Language Lab.
- Eco-friendly environment with trees in and around the campus.
- The NSS unit is rendering selfless service and creating social responsibility among the students.
- A lone College with NCC unit in the Rayachoty town.
- Promotion of Urdu language course as more than 50% population are Muslim Minorities, by having B.A Special Urdu Course and Urdu as one of the second language.
- Wi – Fi connectivity to the staff and students.
- R.O water facility and cool water facility.
- Facial Attendance system to staff and students (APFRS).
- Vidya Deevena and Vasathi Deevena Scholarships to all the eligible students.
- Support from CPDC and Philanthropists.
- Registered Alumni Association to strengthen networking.

### Institutional Weakness:

- Limited scope for Infrastructure Development such as number of class rooms and class room facilities Gym facilities Lab facilities and Library facilities.
- Limited Admissions.
- Meagre Economical Resources.
- Weak economic background of students.
- Poor Attendance of students as majority of the students work for their lively hood.
- Limited Alumni role.
- Limited mobilization of funds and resources.
- Potential for research is yet to be realized.
- Lack of Hostel facility.
- No Government funds received either from UGC, RUSA, PM-USHA.
- The source of income is from the college fees paid by the students and from other Non-Governmental Organizations such as CPDC, ALUMNI, Philanthropists.
- No post sanctioned for Computer Applications.

### Institutional Opportunity:

- To provide Hostel facility for improvement of admissions.
- To improve college facilities by submitting proposals for government grants
- Choice –Based credit system (CBCS) and Semester System has made students attendance more regular.
- Innovative internal assessment methods such as Continuous Internal Assessment (CIA) method.
- To submit proposals for PM-USHA grants to strengthen college infrastructure facilities under new construction component and also upgradation of existing facilities and renovation and repair works and purchase of new furniture.
- To impart value-based education by introducing value added supplement courses such as life skill courses.

- To impart skill-based education by implementing skill enhancement courses such as skill Development courses.
- To impart inter disciplinary knowledge by introducing multi-disciplinary courses.
- To involve Alumni in various college development activities,
- To increase the role of CPDC and Philanthropists in the development of the institution.
- To build Alumni Networks for mentorship and internships.
- To explore collaborations and MOUs with other HEI's & Industry for placements.
- To add more vocational courses and certificate courses.
- To promote environmental consciousness through outreach programs.
- To Improve blended teaching facilities.
- To introduce Bachelor of vocational course in Horticulture.

### Institutional Challenge:

- Change in government policies regarding admissions and fee structure.
- Training of non-teaching and teaching staff for ICT tools.
- Majority of the experienced expertise teachers became superannuated and retired.
- To provide research facilities and infrastructure facilities.
- To balance between academics and research
- To encouraging students for competitive examinations and higher studies.
- To prepare the students to face the challenges of life.
- To organize national seminars, workshops as a part of research activity to inculcate zest of research and to enrich and creative capabilities among the staff and the students.
- To enhance Skill activity and employability.
- To Strengthen placements.
- To Mobilize funds for research from various funding agencies.

- To balance academics with long term skill-based initiatives.
- To maximize Green Environment efforts.
- Automation of academic and administration.

## INSTITUTIONAL PERSPECTIVE PLAN (IPP)

The Government Degree College Rayachoti has its own strengths weaknesses opportunities and challenges. Based on the strengths weaknesses opportunities and challenges the Institutional Perspective Plan has been crafted for a seven-year duration covering the period from 2022-23 to 2028-29 by considering the recommendations made by the previous peer team and various Academic, Administrative and Infrastructural needs of the institution as per the institutional policies. In order to achieve the institutional goals and objectives, different institutional activities have been planned. By taking the feedback and suggestions from all the stake holders of the institute, faculty, students, alumni and parents, a short-term plan for the academic year 2023-24 integral to the long-term plan for the academic year 2028-29 has been formulated to maintain and enhance the quality of the institution. Institutional Perspective Plan (IPP) serves as a strategic frame work for sustainable growth, development of the institution.
