Brief Report of the Activity:

The Department of Political Science organized a National Voters Day at Government Degree College Rayachoty . The Voters Day Celebrations every year on the January 25th .In order to encourage more young voters to take part in the political process, Government of India has decided to celebrate January 25 every year as "National Voters' Day". It has been started from 25 January 2011 to mark the foundation day of Election Commission of India.

By Observing the new voters, who have attained the age of 18 years, were showing less interest in getting enrolled in the electoral rolls, she said the level of their enrolment was as low as 20 to 25 per cent in certain cases.

"In order to effectively deal with this problem, the Election Commission has decided to take up a vigorous exercise to identify all eligible voters attaining the age of 18 years as of January 1 every year in each of the 8.5 lakh polling stations across the country," she said.

Such eligible voters would be enrolled on time and handed over their Electoral Photo Identity Card (EPIC) on January 25 every year, Soni said, adding this initiative is expected to give the youth a sense of empowerment, pride and inspire them to exercise their franchise.

The new voters would be provided with a badge with its logo "Proud to be a voter - Ready to vote", she said. The theme of NVD 2016 is 'Inclusive and qualitative participation' reiterating the commitment towards reaching out to the last voter and promoting informed and ethical voting. The slogan 'No Voter to be left behind' has been coined to further emphasis the focus on inclusiveness. The National Awards are being conferred for excellence, proficiency and innovation in election processes and procedures. These awards recognize contribution by election machinery, government department/ agency/ PSU, CSO and media said. The greatest joy is seen in young voters of India.
