

To
The Principal,
Government Degree College, Rayachoty.

Subject: Request for Permission to Visit Government College for Men(A), Kadapa on 10-02-2022

Respected madam,

As part of the Memorandum of Understanding (MoU) established between the Department of Mathematics at Government Degree College, Rayachoty, and the Department of Mathematics at Government College for Men, Autonomous Kadapa, I am writing to seek your kind permission to arrange a visit to GCM Kadapa on 10-02-2022. This visit aims to foster academic collaboration, share best practices, and enhance the learning experiences of both our faculty and students.

The delegation will include myself and 19 students from the Department of Mathematics at GDC Rayachoty. During this visit, we aim to:

Interact with the faculty and students of the Mathematics Department at GCM Kadapa.

Discuss and exchange ideas on curriculum development and teaching methodologies.

Explore opportunities for joint seminars, workshops, and training programs.

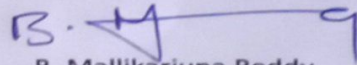

Tour the facilities and resources available at their esteemed institution.

We believe this visit will be mutually beneficial, helping us build a strong foundation for future collaborations and academic exchanges as outlined in our MoU.

We kindly request your permission and support to facilitate this visit. Your guidance and approval will be highly appreciated in making this visit productive and successful.

Thank you for considering our request. We look forward to your positive response and the opportunity to strengthen our collaborative efforts.

Yours sincerely,

B. Mallikarjuna Reddy,
Lecturer in Mathematics,
Government Degree College,
Rayachoty.

Brief report of the Activity	<p>Brief Report on Visit to Government College for Men, Kadapa</p> <p>Date of Visit: 10th February 2022</p> <p>Institution: Government Degree College, Rayachoty</p> <p>Visiting Faculty: B. Mallikarjuna Reddy, Lecturer in Mathematics and Ch.Ramanjaneyulu</p> <p>Purpose of Visit: As a part of the Memorandum of Understanding (MoU) between Government Degree College, Rayachoty, and Government College for Men, Kadapa (Autonomous), the visit aimed to expose students to the resources and academic environment of the Department of Mathematics at Government College for Men, Kadapa, and to enhance their academic and professional skills.</p> <p>Activities Conducted:</p> <ol style="list-style-type: none">1. Department Library Visit<ul style="list-style-type: none">- Students were introduced to the extensive collection of books and resources available in the Department of Mathematics library.- The library visit aimed to familiarize students with additional reference materials and encourage the use of library resources for their academic growth.

2. Lecture and Skill Enhancement:

- G. Venkata Subbaiah delivered a lecture focused on enhancing the mathematical skills of the students.
- The lecture included discussions on advanced mathematical concepts, problem-solving techniques, and their applications in various fields.
- The session was interactive, with students actively participating and asking questions, thereby gaining a deeper understanding of the subject matter.

Outcome:

The visit was highly beneficial for the students of Government Degree College, Rayachoty. It provided them with an opportunity to access a wider range of academic resources and gain insights from the expertise of the faculty at Government College for Men, Kadapa. The lecture and interaction helped in boosting the students' confidence and motivation to excel in their studies.

Conclusion:

The collaboration between Government Degree College, Rayachoty, and Government College for Men, Kadapa, has proven to be fruitful, facilitating the exchange of knowledge and resources. Such visits play a crucial role in the holistic development of students and contribute significantly to their academic and professional growth.
