

REPORT ON SHORT INTERNSHIP AT S. K ELECTRICALS RAYACHOTI

As per the Memorandum of Understanding (MoU) between S.K Electricals and Government Degree College, Rayachoty, a short-term internship program was conducted for students from GDC Rayachoty. The internship aimed to provide practical exposure and hands-on experience to the students in the industrial setting of S.K Electricals, Rayachoti.

Participants: The internship involved one student from GDC Rayachoty:

1. Shaik. Afzal khan

Duration and Activities: The internship spanned over a period of 2 months and encompassed various activities and tasks relevant to the operations of S.K Electricals. During this time, the student was exposed to different departments and functions within the company, gaining insights into practical aspects of their academic knowledge.

Learning Outcomes:

- 1. Technical Skills:** The students acquired technical skills related to sales and purchases of electrical goods, which are crucial for their career development in marketing field.
- 2. Professional Development:** They gained insights into professional etiquettes, and communication skills essential for a corporate environment.
- 3. Industry Insights:** The internship provided a firsthand understanding of the challenges and opportunities in sk electricals, contributing to their overall understanding of the sector.

Feedback and Recommendations:

- ☑The students expressed gratitude for the opportunity and highlighted the practical relevance of the internship in bridging the gap between theory and practice.
- ☑They recommended incorporating more such practical experiences into the academic curriculum to enhance employability.

Conclusion: Overall, the internship at of S.K Electricals, Rayachoti, proved to be a valuable experience for the students of GDC Rayachoty, providing them with practical skills, industry exposure, and professional growth opportunities. Such initiatives strengthen the bond between academia and industry, paving the way for well-rounded and skilled graduates. This internship not only benefited the students but also contributed to the goals outlined in the MoU between of S.K Electricals, Rayachoti and GDC Rayachoty, fostering mutual cooperation and knowledge exchange.
