

GOVT. DEGREE COLLEGE: RAYACHOTY

DEPARTMENT OF ZOOLOGY

A BRIEF ACTIVITY REPORT ON

Memorandum of Understanding

Introduction:

The Department of Zoology, Govt. Degree College, Rayachoty, and the Department of Zoology, S.G. Govt. Degree College, Piler, signed a Memorandum of Understanding (MOU) on 6th January 2022 to foster academic collaboration and exchange. As part of this Memorandum of Understanding (MOU), Three activities were organized: two guest lectures and a student visit.

Activity-1

Student Visit:

Dated :

22nd August 2022

Number of students

participated : 24

Activities:

1. Laboratory visit:

Hands-on experience with microscopes, spectrophotometers, and other equipment

2. Library visit: Access to zoology-related books, journals, and online resources

3. Interaction with faculty: Discussion on research topics and methodologies

4. Networking: Establishment of connections with peers and faculty members

5. Sharing of knowledge: Exchange of ideas and resources between students and faculty members.

Madam,

Subject: Permission to visit Department of zoology, S.G. Govt. Degree college, Piler with B.Sc (BZC) students as part of our institution's Memorandum of Understanding (MoU) with GDC Piler.

I here with submit that Department of zoology seek kind approval to take a group of students from the Department of Zoology to visit Government Degree College (GDC), Piler, as part of our institution's Memorandum of Understanding (MoU) with GDC Piler. The visit is scheduled for 22-08-2022.

The MoU between our institutions aims to foster academic collaboration and exchange, and this visit will provide our students with valuable hands-on experience and exposure to new ideas and techniques. The visit will be supervised by me. I assure you that all necessary arrangements will be made to ensure the safety and well-being of the students during the visit. We will also ensure that the visit does not disrupt the academic schedule and that all students complete their assignments and projects as scheduled. I would be grateful if you could grant me permission to undertake this visit with the students.

Thanking you madam,

Yours sincerely,

LECTURER IN ZOOLOGY,

Govt. DEGREE COLLEGE
RAYACHOTY - 516 269.

Permitted
PRINCIPAL
Govt. Degree College
Rayachoty.

Programme outcomes:

1.Enhanced knowledge:

Students gained expert knowledge in cell biology and genetics

2.Practical experience:

Students acquired hands-on experience in laboratory techniques and equipment

3.Networking

opportunities: Students and faculty members established connections, fostering collaboration

4.Access to resources:

Students gained access to zoology-related books, journals, and online resources

4.Sharing of knowledge:

Students and faculty members exchanged ideas and resources, promoting academic excellence

Conclusion:

The Memorandum of Understanding (MOU) between the Department of Zoology, GDC Rayachoty, and the Department of Zoology, GDC Piler, has been a resounding success.

The three activities organized under the MOU - two guest lectures and a student visit - have achieved their objectives of enriching students' knowledge, providing hands-on experience, and fostering collaboration

To
The principal
S.G.Government Degree College,
Piler, Annamayya dist.

Sir,

Subject: Request for Permission to visit Department of Zoology, GDC Piler, with students as part of our institution's Memorandum of Understanding (MoU)with GDC,Rayachoty.

Department of zoology Govt.Degree college, Rayachoty requested permission to visit the Department of Zoology, S.G. Government Degree College, Piler, along with a group of students from Department of Zoology, Government Degree College, Rayachoty, as part of our institutions' Memorandum of Understanding (MoU).

The visit is scheduled on 22-08-2022. and is intended to "conduct a joint field study and a collaborative workshop"

The MoU between our institutions aims to foster academic collaboration and exchange, and this visit will provide our students with valuable hands-on experience and exposure to new ideas and techniques. The visit will be supervised by me. I assure you that all necessary arrangements will be made to ensure the safety and well-being of the students during the visit. We will also ensure that the visit does not disrupt the academic schedule and that all students complete their assignments and projects as scheduled.

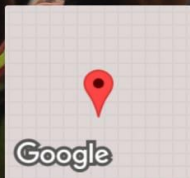

I would be grateful if you could grant us permission to visit the Department of Zoology and facilitate our collaborative activities.

Thanking you sir,

Permitted

between the two institutions.

The guest lectures on cell structure and cell organelles, and Mendelian principles, provided students with expert knowledge in zoology-related topics.

The student visit, which included a laboratory visit, library visit, interaction with faculty, and networking opportunities, offered hands-on experience and access to resources.

The MOU has promoted academic excellence, research output, and collaboration between the two institutions. The sharing of knowledge and resources has been a key outcome, with students and faculty members exchanging ideas and best practices.

The success of the MOU demonstrates the potential for collaborative academic programs to enhance student learning outcomes and foster institutional partnerships. It is recommended that the MOU be continued and expanded to include additional activities and areas of collaboration.

Overall, the MOU has been a valuable initiative that has benefited students, faculty members, and both institutions. Its

continuation and expansion will further strengthen the partnership and promote academic excellence in zoology-related fields.

Activity-2

Guest Lecture 1:

Dated: 23rd December 2022

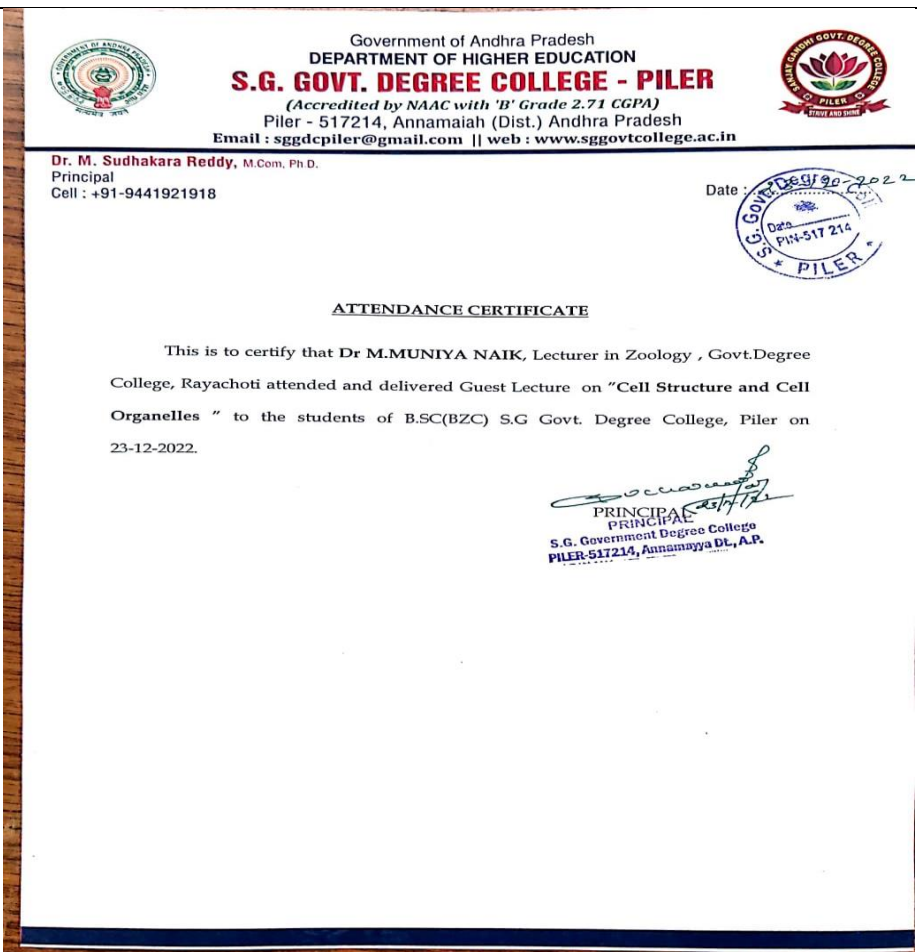

Topic: Cell Structure and Cell Organelles

Speaker : Dr. M.Muniya Naik

Lecturer in zoology

GDC, Rayachoty

Attendees: 32 students and
2 faculty members
from GDC Piler

Activity-3

Guest Lecture 2:

Dated : 7th February 2023

Topic : Genetic inheritance

Speaker : Dr. M.Muniya Naik

Lecturer in zoology

GDC, Rayachoty

Attendees: 28 students and
2 faculty members
from GDC Piler
