

Memorandum of Understanding (MoU) Report

Government Degree College, Rayachoty, and MDH Motors, Rayachoty, formalized a Memorandum of Understanding (MoU) to facilitate an internship program designed to bridge the gap between academic learning and practical industry experience. This partnership aims to provide Government Degree College students with hands-on experience in the automotive sector, enhancing their technical skills and industry knowledge. The MoU outlines the structure, roles, and responsibilities of both parties, including a duration of 8 to 12 weeks for internships and a selection process based on academic performance and interviews.

The primary objectives of the MoU are:

1. **To Provide Practical Experience:** Facilitate internship opportunities for students of Government Degree College at MDH Motors to bridge the gap between theoretical knowledge and practical application.
2. **To Enhance Skill Development:** Equip students with hands-on experience in the automotive industry, enhancing their technical and soft skills.
3. **To Foster Industry-Academia Collaboration:** Strengthen the relationship between educational institutions and industry partners to align academic curriculum with industry requirements.

Under the agreement, MDH Motors will offer mentorship, training, and stipends to the interns, while Government Degree College will prepare students for the program and provide academic support. Both institutions are committed to maintaining confidentiality regarding proprietary information and intellectual property. The MoU also includes provisions for regular feedback and an annual review to ensure the program's effectiveness and address any issues that arise.
