MEMORANDUM OF UNDERSTANDING (MoU)

Between

Government Degree College, Rayachoti

And

Sri Sai Institute of Technology and Science, Rayachoti

Preamble:

This Memorandum of Understanding (MoU) is entered into on 27th December 2022, by and between Government Degree College, Rayachoti (hereinafter referred to as "GDC Rayachoti") and Sri Sai Institute of Technology and Science, Rayachoti (hereinafter referred to as "SSITS Rayachoti"), to collaborate on mutually beneficial academic initiatives and quality enhancement activities.

1. Objectives of the MoU:

The objectives of this MoU include, but are not limited to:

- Promoting academic cooperation and the exchange of knowledge and resources between the two institutions.
- Facilitating joint research projects, seminars, conferences, and workshops in areas of mutual interest.
- Encouraging faculty and student exchange programs to foster learning, exposure, and skill development.
- Offering internship opportunities, field visits, and hands-on training programs for students of both institutions.
- Supporting the development of joint initiatives that promote innovation, sustainability, and technological advancement.

2. Areas of Collaboration:

The following areas of collaboration are agreed upon:

- Student Exchange Programs: Students of both institutions may participate in exchange programs, gaining access to resources, workshops, and academic expertise at the partner institution.
- Faculty Exchange Programs: Faculty members from both institutions will have opportunities to collaborate on research, deliver lectures, and participate in training sessions at each other's institutions.
- Joint Research and Publications: The two institutions will explore opportunities for collaborative research in areas of mutual interest and publish their findings in reputed academic journals.
- Internships and Field Visits: SSITS Rayachoty will facilitate internships and field visits for students from GDC Rayachoty in relevant fields, while GDC Rayachoty will offer similar opportunities in its areas of expertise.
- Skill Development Programs: Both institutions will collaborate on organizing certificate courses, workshops, and skill development programs that cater to industry needs and enhance employability.

3. Responsibilities of the Institutions:

- GDC Rayachoty will:
 - Provide access to academic resources, laboratories, and infrastructure for joint initiatives.
 - Facilitate faculty and student participation in exchange and collaborative programs.
 - Support SSITS Rayachoty in organizing joint events, research, and training programs.
- SSITS Rayachoty will:
 - Offer its facilities for hosting joint research, workshops, and internship programs.
 - Encourage its faculty and students to participate in activities organized by GDC Rayachoty.
 - Provide necessary support for joint research and academic collaboration initiatives.

4. Duration and Renewal:

This MoU shall remain in force for a period of three (3) years from the date of signing. It may be renewed upon mutual agreement of both parties for a further term of three years or for any other duration as agreed upon.

5. Termination:

Either party may terminate this MoU by providing at least three (3) months' notice in writing to the other party. However, any ongoing projects or programs at the time of termination will continue until completion unless otherwise mutually agreed upon.

6. Dispute Resolution:

Any dispute arising out of or in connection with this MoU will be resolved amicably through mutual discussions. If an amicable solution cannot be reached, the matter shall be referred to the heads of both institutions, whose decision shall be final and binding.

7. Miscellaneous:

- This MoU does not constitute any financial obligation or legal relationship between the two institutions except for the commitments expressly mentioned.
- Any amendments to this MoU shall be made in writing and signed by both parties.

8. Signatories:

In witness whereof, the authorized representatives of Government Degree College, Rayachoty and Sri Sai Institute of Technology and Science, Rayachoty have signed this MoU on the date mentioned above.

PROGRAM REPORT

One-Day Workshop on "Evaluation of Attainment of Course Outcomes and Program Outcomes"

The Internal Quality Assurance Cell (IQAC) of Government Degree College, Rayachoti, successfully organized a **One-Day Workshop** on the topic "**Evaluation of Attainment of Course Outcomes (COs) and Program Outcomes (POs)**" on **18-01-2023**. The primary objective of the workshop was to provide faculty members and students with in-depth knowledge on the evaluation methods for COs and POs, which are integral to outcome-based education (OBE).

Details of the Workshop:

- **Date:** 18-01-2023
- **Time:** 10.00 AM
- **Venue:** Virtual Class Room, Government Degree College, Rayachoti
- **Resource Person:** **Mr. Kothapalli Inthiyaz**, IQAC Coordinator, Sri Sai Institute of Technology and Science, Rayachoti

Programme Highlights:

1. Inaugural Ceremony:

The event commenced with a warm welcome by **Dr. B. Kiran Kumar**, IQAC Coordinator, followed by the **inaugural speech by Dr. Harsha Latha Pankaj**, Principal of Government Degree College, Rayachoti. The principal emphasized the importance of outcome-based education in improving the quality of teaching and learning in higher education institutions.

2. Session I: Understanding Course Outcomes (COs) and Program Outcomes (POs):

The first session was led by the resource person, **Mr. Kothapalli Inthiyaz**, who provided a detailed overview of COs and POs. He explained the significance of properly defining COs and POs and aligning them with the academic and career goals of students. The session covered key concepts, such as mapping outcomes, designing learning activities, and setting measurable goals.

3. **Session II: Methods to Evaluate COs and POs:**

In the second session, **Mr. Kothapalli Inthiyaz** discussed various tools and methodologies to assess and measure the attainment of COs and POs. This session was interactive, with participants engaging in discussions on the evaluation techniques used in their respective departments. Real-life examples and case studies were shared to highlight the best practices in outcome evaluation.

4. **Session III: Practical Approach to Aligning COs with POs:**

The third session included a hands-on activity where faculty members were guided through the practical steps involved in aligning course outcomes with program outcomes. **Mr. Inthiyaz** demonstrated how to use rubrics, feedback systems, and data analysis to track the progress of students' learning outcomes.

5. **Interactive Q&A Session:**

An interactive Q&A session was held to address specific queries from faculty members and students. The resource person provided insightful solutions to common challenges faced during the implementation of outcome-based education and offered strategies for continuous improvement.

6. **Valedictory Session:**

The workshop concluded with a **valedictory speech** by **Dr. B. Kiran Kumar**, who expressed his gratitude to the resource person for sharing his valuable expertise. He also thanked the Principal, faculty members, and students for their active participation and contribution to the success of the workshop.

7. **Distribution of Certificates:**

Certificates of participation were distributed to all attendees as a token of appreciation for their involvement in the workshop.

Outcomes:

The workshop was highly successful in achieving its objectives. Faculty members gained a deeper understanding of how to effectively define, map, and evaluate COs and POs, while students were made aware of how these outcomes impact their academic progress. The knowledge and insights shared during the workshop will aid the institution in improving the overall quality of teaching, learning, and assessment processes.

Conclusion:

The workshop was well-received by all participants, and it marked a significant step towards enhancing the implementation of outcome-based education at Government Degree College, Rayachoti. The IQAC plans to continue organizing such capacity-building programs in the future.
