Brief report of the Activity	<p>The Department of Mathematics at Government Degree College, Rayachoty, organized a Career Guidance Program on PG Mathematics entrance exams 2022 for admissions into MSc Mathematics courses. The program was conducted on 3<sup>rd</sup> December 2021 by B.Mallikarjuna Reddy , a dedicated lecturer in Mathematics at our college.</p> <p><b>Key Highlights of the Program:</b></p> <ol style="list-style-type: none"><li>1. <b>Overview of PG CET 2022:</b></li></ol>

B. Mallikarjuna Reddy provided an extensive overview of the PG CET-2022 entrance exam. He explained the importance of the exam and the opportunities it offers for pursuing MSc Mathematics courses in prestigious institutions.

## 2. Syllabus and Exam Pattern:

Detailed insights were shared on the syllabus and exam pattern of PG CET 2022. This included the types of questions, marking schemes, and important topics to focus on.

## 3. Preparation Strategies:

The session included effective preparation strategies, study plans, and tips on how to manage time during the exam. Emphasis was placed on understanding fundamental concepts and regular practice.

## 4. Resource Materials:

Students were informed about various study materials, reference books, and online resources that could aid their preparation.

## 5. Mock Tests and Previous Papers:

6. The importance of practicing with mock tests and previous years' question papers was highlighted. B. Mallikarjuna Reddy encouraged students to solve as many practice papers as possible to get a feel of the actual exam.

## 7. Motivation and Guidance:

8. The program also included motivational talks to inspire students to aim high and remain persistent in their efforts. Personal anecdotes and success stories were shared to boost the morale of the attendees.

**Attendance:** The program was attended by 18 students. The enthusiastic participation of the students reflected their keen interest in pursuing higher education in MSc Mathematics courses.

**Conclusion:** The Career Guidance Program on PG Mathematics entrance exams 2022 was highly informative and beneficial for the students. The detailed guidance and strategies provided by B. Mallikarjuna Reddy have equipped the students with the necessary knowledge and confidence to prepare effectively for PG CET-2022. The Department of Mathematics plans to conduct more such sessions in the future to continuously support the academic and career aspirations of our students.

## Department of Mathematics

Date: 29-11-2021

### Circular

This is to inform all first, second, and third-year B.Sc. Mathematics students that the Department of Mathematics is organizing a Career Guidance Program on M.Sc. Mathematics Entrance Exams. The program details are as follows:

Date: 03-12-2021

Time: 11 AM

Venue: III M.P.Cs. class room

The resource person for this program is B. Mallikarjuna Reddy Lecturer in Mathematics

The aim of the program is to provide comprehensive guidance and preparation strategies to students aspiring to pursue M.Sc. Mathematics through various competitive entrance exams.

The objectives of the program are:

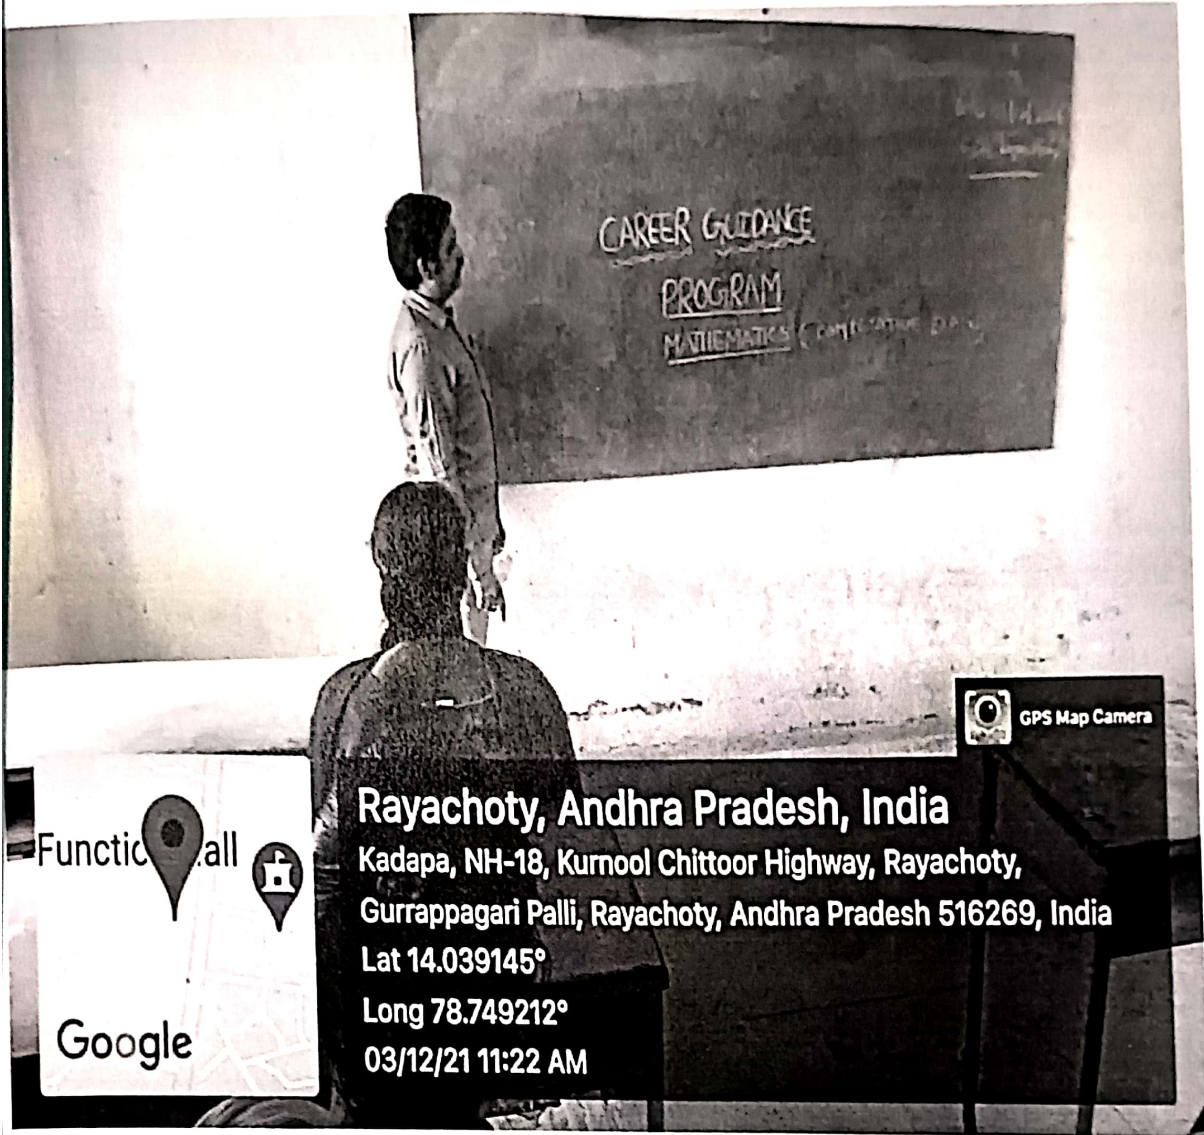

1. To familiarize students with the different entrance exams for M.Sc. Mathematics, including IIT JAM, CUCET.
2. To provide detailed information on the syllabus and exam patterns of these entrance exams.
3. To share effective preparation strategies and study plans.
4. To recommend useful study materials and resources.
5. To emphasize the importance of practicing with mock tests and previous years' question papers.
6. To motivate and inspire students to aim high and achieve their academic goals.

All first, second, and third-year B.Sc. Mathematics students are encouraged to attend this valuable session. Your active participation will greatly benefit your preparation for higher education in Mathematics.

Brief Report of the Activity	<p><b>AIM</b></p> <p>Master of Arts (MA) program in Political Science encompasses several objectives that collectively deepen students' understanding of political processes, systems, and theories. Here are the key aims of an MA in Political Science:</p> <p><b>OBJECTIVES:</b></p> <ol style="list-style-type: none"><li>1. Political science examines the structures and functions of political institutions such as legislatures, executives, judiciaries, and bureaucracies. It explores how these institutions interact, make decisions, and shape public policy.</li><li>2. To provide detailed information on the syllabus and exam patterns of these entrance exams.</li><li>3. To share effective preparation strategies and study plans.</li><li>4. To recommend useful study materials and resources.</li><li>5. To emphasize the importance of practicing with mock tests and previous years' question papers.</li><li>6. To motivate and inspire students to aim high and achieve their academic goals.</li></ol> <p>The Department of the Political Science at Government Degree College, RAYACHOTY, organized a Carrer Guidance programmed focused on MA Political Science Entrance Exam. The Programmed was Conducted by A KHAJA VICE KHIRNI MA Bed a dedicated Lecturer in Political Science at our college.</p>

#### **Overview of Entrance Examination:**

As per the Sources, AP PGCET 2022 Exam Date has been announced. AP PGCET (Andhra Pradesh Postgraduate Common Entrance Test) is a state level Examination. This test is managed by Sri Venkateswara University, Tirupati on behalf of the A.P. State Council of Higher Education (APSCHE). Difficulty Level: PGCET 2023 was of moderate difficulty level. Testing Mode: The PGCET exam was conducted as paper-based test. Exam Duration: The PGCET was of 2 hours duration each for MA and M.SC courses. To short list candidates for admission into various courses in university or colleges in Andhra Pradesh. The minimum qualifying marks for ranking in APPGCET shall be 35% of maximum marks. However, there shall be no minimum qualifying marks for the candidates belonging to the category of Schedule Castes and Scheduled Tribes for ranking.

The Department of Political Science Government Degree College RAYACHOTY Anamaya district Conducted a career guidance Programmed at UG students every year before summer vacations. It's helpful the student's career and their bright future. Our students got PG seats at various Universities Like YV University and SV University and MANAU Hyderabad.

#### **Motivation and Guidance:**

The motivation and guidance for pursuing a Master of Arts (MA) in Political Science can be driven by various factors, both personal and professional. Here are some key motivations and guidance for individuals considering or already enrolled in an MA program in Political Science:

Many students are motivated by a genuine interest and passion for understanding political systems, theories, and dynamics. They are driven by a desire to delve deeper into how governments function, how policies are formulated, and how political decisions impact societies.

Some students pursue an MA in Political Science with clear career goals in mind. This could include aspirations for careers in government, public administration, international organizations, diplomacy, advocacy, law, journalism, or academia. The MA provides specialized knowledge and skills relevant to these fields.

The program appeals to individuals who are intellectually curious and seek to engage with complex political ideas, debates, and research. It offers opportunities to explore diverse perspectives and challenge one's own assumptions through rigorous academic inquiry.

### Syllabus and Exam Pattern:

The syllabus and exam pattern for Political Science courses can vary depending on the university, country, and specific program. However, I can provide a general overview of what you might expect in terms of syllabus and exam patterns for Political Science at the undergraduate and postgraduate levels: The specific details of the syllabus and exam pattern will vary between universities and programs, so it's important for students to refer to their institution's official curriculum guides and examination policies for precise information.

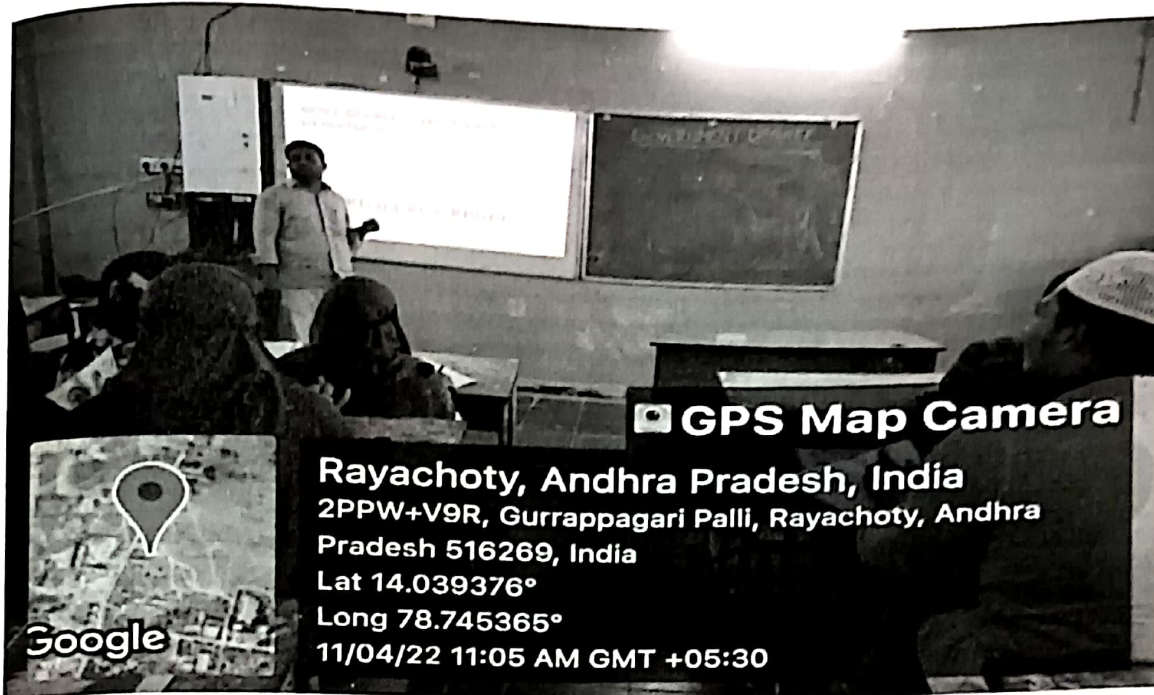

### Outcomes of the Career Guidance

By participating in a quiz competition, students can develop their communication skills and learn how to work effectively with others. Finally, quiz competitions help students to develop their confidence.

Quiz reports show the average grade for a quiz, the grades for individual students on a quiz, the average grade on a specific quiz question, the results for individual students for a quiz question, and a comparison between individual quiz question results and overall quiz results.

Quiz is a quick and informal assessment of student knowledge. Quizzes are often used in North American higher education environments to briefly test a student level comprehension regarding a quiz competition

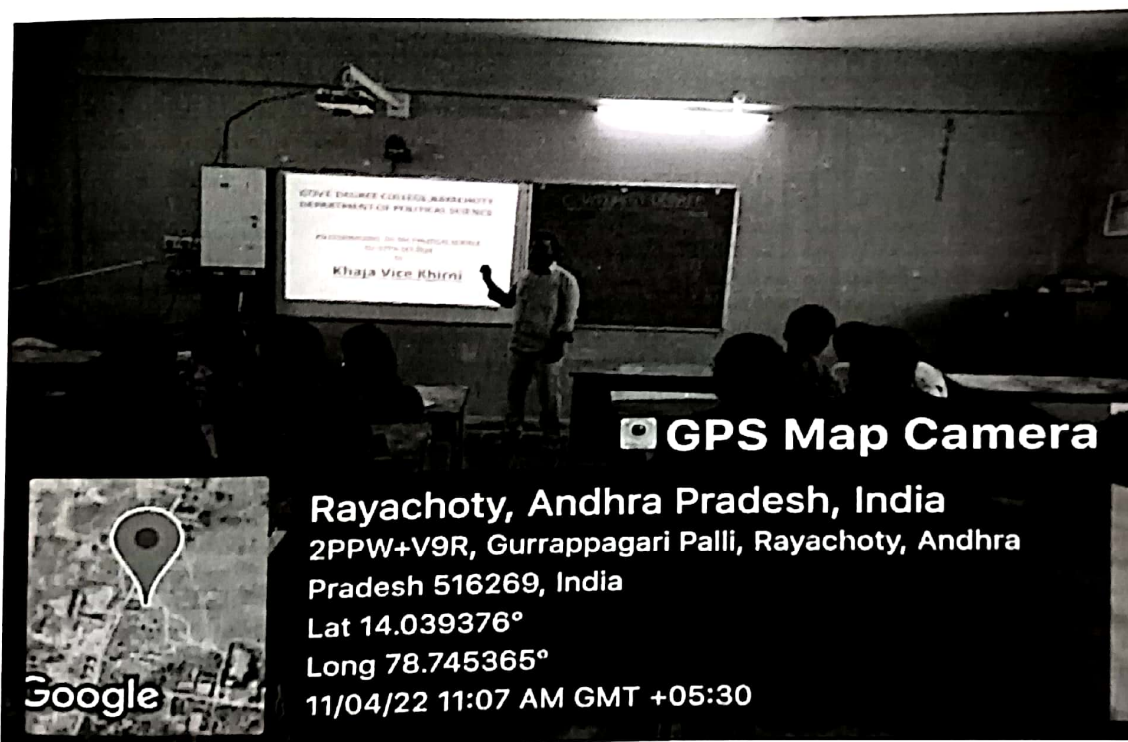

A quiz refers to a short test of knowledge, typically around 10 questions in length, with question formats often including multiple choice, fill in the blanks, true or false and short answer. A quiz is much shorter than a traditional test or exam and is rarely impactful on a final course grade. Professors who employ quizzes in their courses—a practice which is increasingly viable thanks to the broader use of technology in higher ed—may schedule them in each class to ensure students have retained knowledge from the previous lesson. Others may hold pop quizzes, which are surprise tests geared towards making sure students have read course materials and are understanding broader course learning.

The Department of Urdu at Government Degree College, RAYACHOTY, organized a Career Guidance program focused on MA Urdu Entrance Exam. The Program was conducted by Dr Shaik Farooq Basha and N.AFSANA a dedicated Lecturer in URDU at our college.

#### **Overview of Entrance Examination:**

As per the Sources, AP PGECET 2022 Exam Date has been announced. AP PGECET (Andhra Pradesh Postgraduate Common Entrance Test) is a state level Examination. This test is managed by YOGI VEMANA UNIVERSITY KADAPA on behalf of the A.P. State Council of Higher Education (APSCHE). Difficulty Level: PGECET 2022 was of moderate difficulty level. Testing Mode: The PGECET exam was conducted as paper-based test. Exam Duration: The PGECET was of 2 hours duration each for MA and M.SC courses. To short list candidates for admission into various courses in university or colleges in Andhra Pradesh. The minimum qualifying marks for ranking in APPGCET shall be 35% of maximum marks. However, there shall be no minimum qualifying marks for the candidates belonging to the category of Schedule Castes and Scheduled Tribes for ranking.

The Department of Urdu Government Degree College RAYACHOTY Anamaya district Conducted a career guidance Program at UG students every year before summer vacations. It's helpful the student's career and their bright future. Our students got PG seats at various Universities Like YV University and SV University and MANUU Hyderabad.

### **Motivation and Guidance:**

The motivation and guidance for pursuing a Master of Arts (MA) in Urdu can be driven by various factors, both personal and professional. Here are some key motivations and guidance for individuals considering or already enrolled in an MA program in Urdu:

Studying for an MA in Urdu is a commendable endeavor that requires dedication and passion for the language and its rich literary tradition. Here are some motivational tips and guidance to help you along your journey:

Reflect on why you chose to pursue an MA in Urdu. Whether it's a personal passion, career aspirations, or academic interest, clarifying your motivation will help you stay focused and committed. Dive deep into Urdu literature beyond your academic requirements. Explore poetry, novels, essays, and critiques by renowned Urdu writers. Understanding the nuances of the language will enrich your studies and appreciation.

Participate actively in class discussions, seminars, and workshops. Exchange ideas with classmates and seek guidance from professors who are experts in Urdu literature. Their insights and feedback will be invaluable.

Academic writing is a crucial skill in any MA program. Write essays, critiques, and research papers regularly to hone your analytical and argumentative abilities. Seek feedback from professors to improve your writing style and clarity.

### **Syllabus and Exam Pattern:**

The syllabus and pattern of an MA in Urdu program can vary depending on the university and country offering the degree. However, I can provide you with a general outline of what you might expect in terms of syllabus and pattern for an MA in Urdu:

### **Syllabus Outline:**

#### **1. Core Courses:**

- Urdu Poetry (Classical and Modern)
- Urdu Prose (Classical and Modern)
- Urdu Drama
- Urdu Fiction (Novels and Short Stories)
- Urdu Literary Criticism and Theory

#### **2. Elective Courses (may include):**

- Comparative Literature (Urdu and other literatures)
- Translation Studies
- Linguistics and Urdu Language Structure
- Urdu Media Studies
- Urdu Women Writers
- Special Authors or Movements in Urdu Literature

### 3. **Research Methodology and Dissertation:**

- Research Methods in Urdu Literature
- Dissertation or Thesis on a topic related to Urdu literature or language

### **Pattern of Examination:**

#### 1. **Internal Assessments:**

- Assignments: Writing essays, critiques, and analysis of literary texts.
- Seminars and Presentations: Active participation in class discussions and presentations on assigned topics.
- Internal exams or quizzes: Periodic assessments to gauge understanding of course material.

#### 2. **End-Semester Examinations:**

- Typically conducted at the end of each semester.
- Exams may include written papers, essay questions, and critical analysis of literary texts.
- Practical exams may involve translation exercises, critical commentaries, or textual analysis.

#### 3. **Dissertation or Thesis:**

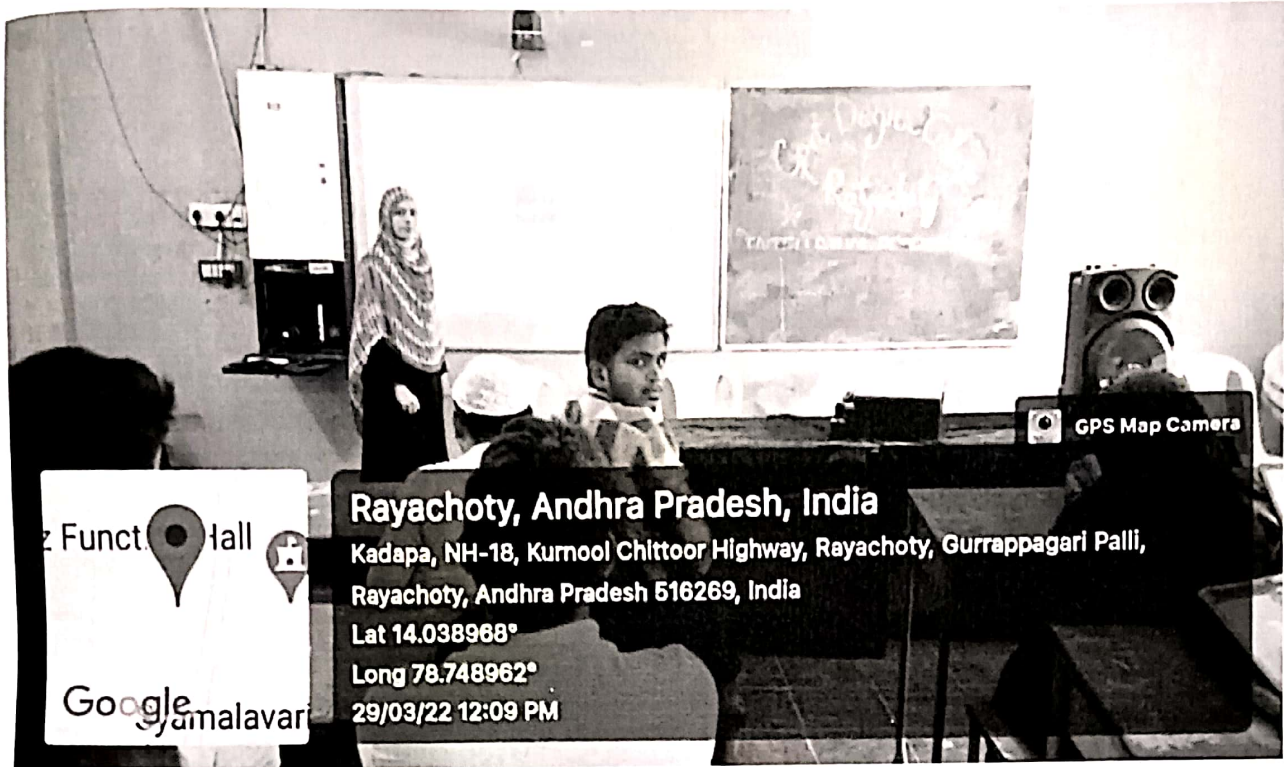

- Usually undertaken in the final year of the program.
- Requires independent research on a chosen topic under the guidance of a supervisor.
- Submission and defense of the dissertation or thesis are integral parts of the evaluation process.

### **Outcomes of the Career Guidance**

**Pursuing an MA in Urdu can lead to a variety of career opportunities both within and outside academia. Here are some potential outcomes and career guidance related to an MA in Urdu:**

### Academic Careers:

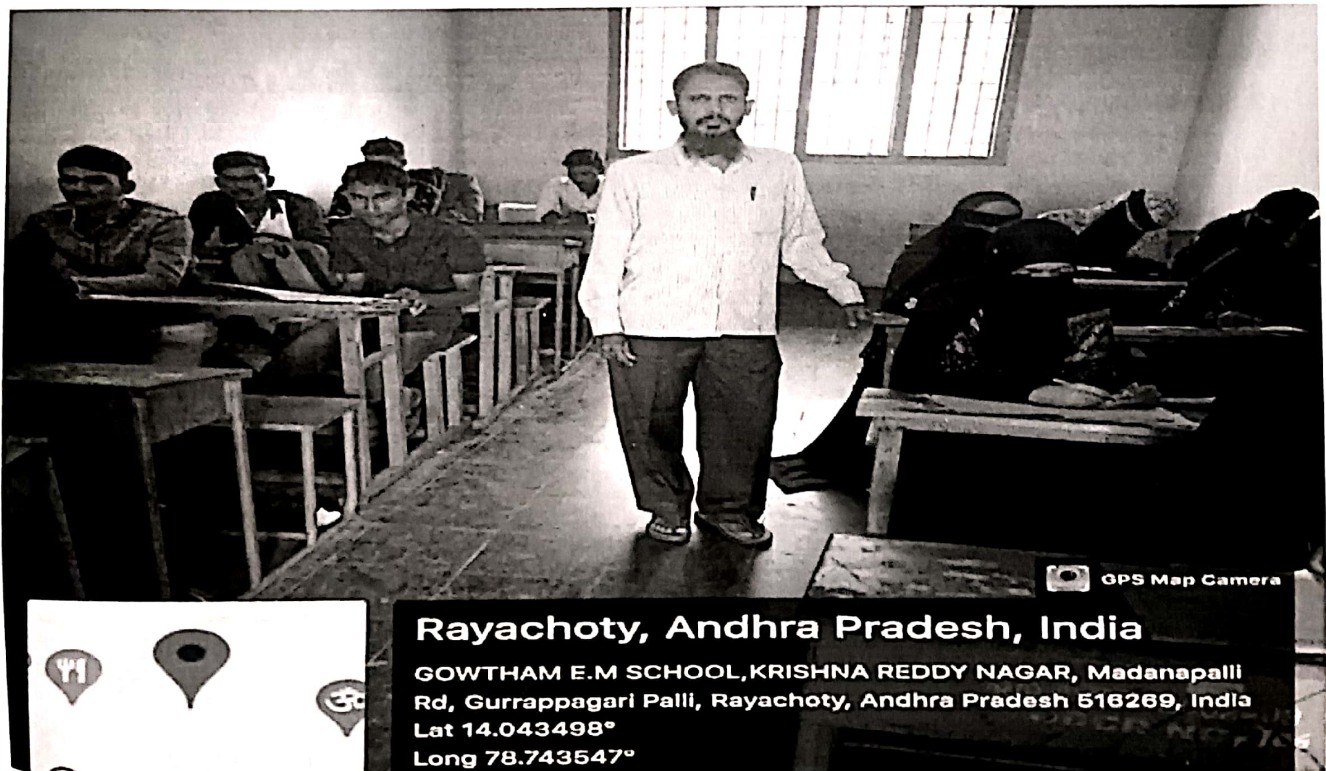

1. **Teaching:** Many graduates with an MA in Urdu go on to become Urdu language or literature teachers at various educational levels, including schools, colleges, and universities.
2. **Research:** Those inclined towards research can pursue doctoral studies (Ph.D.) in Urdu literature or related fields. This path can lead to academic positions as professors or researchers in universities and research institutions.
3. **Academic Administration:** Graduates can also pursue administrative roles in educational institutions, such as department heads or academic advisors.
4. **Urdu Journalism:** Graduates can work as Urdu journalists, reporters, editors, or columnists in print, digital, or broadcast media outlets focusing on Urdu language content.
5. **Translation and Publishing:** Opportunities exist in translating Urdu literature or scholarly works into other languages, or vice versa. Graduates can also work in Urdu publishing houses as editors, proofreaders, or content developers.
6. **Cultural Institutions:** Careers in cultural organizations, museums, libraries, and archives focusing on Urdu literature and culture, including roles in curation, preservation, and outreach.
7. **Arts Management:** Graduates can work in positions related to managing cultural events, literary festivals, and promoting Urdu literature and arts.

**Academic Year- 2021-22**

Date: 23-04-2022

### Circular

This is to inform all first, second, and third-year B.Sc. Chemistry students that the Department of Chemistry is organizing a Career Guidance Program on **Higher Education Awareness**. The program details are as follows:

**Date:** 26-04-2022

**Time:** 11 AM

**Venue:** Room No- 208

The resource person for this program is M. Bhanu Prakash Reddy M.Sc, M.Ed. Lecturer in Chemistry.

The aim of the Career Guidance Programme is to help students understand the importance of Higher education, providing them with the necessary information, strategies, and motivation to succeed in securing Higher Education admissions.

The objectives of the program are:

- 1. Raise Awareness:**
  - o Inform students about Importance of Higher Education.
- 2. Understand Exam Structure:**
  - o Explain the exam format, syllabus, and pattern.
- 3. Provide Study Strategies:**
  - o Share effective preparation techniques and study plans.
- 4. Motivate Students:**
  - o Inspire and encourage students to pursue Higher education.
- 5. Recommend Resources:**
  - o Suggest useful books, online materials, and coaching options.

All first, second, and third-year B.Sc. Chemistry students are encouraged to attend this valuable session. Your active participation will greatly benefit your preparation for your career.

### **Brief report of the Activity**

The Department of Chemistry Conducted a Higher Education Awareness to the final BSc Chemistry Students on 26-04-22 under career guidance program. In this program we delivered the impression of the students about various Higher Education Opportunities of Chemistry.

#### **Attendance-**

Total 15 Students are attended to this program. The Enthusiastic participation of the students reflected their keen interest in pursuing higher education.

#### **Conclusion:**

Career Guidance Programmer provided valuable insights and practical advice for students preparing for Higher Education Entrance exams. M. Bhanu Prakash Reddy's guidance on exam patterns, study strategies, and resource recommendations was well-received. The session motivated students to pursue their goals with dedication and confidence. Overall, the program successfully equipped attendees with the knowledge and inspiration needed to excel in their exam preparation. This event was a significant step towards helping students achieve their Higher Education Admissions.

## Department of Commerce

Department	Commerce
Name of the activity conducted	Career Guidance Program on PG Commerce entrance exams 2022
Conducted date	04-01-2022
Resource persons details	U. Prasad, Lecturer in Commerce
Name of the Co-Ordinator	S. Sreenivasulu, Lecturer in Commerce
Name of the Lecturers involved	B. Viswanatha
No of students participated	60
60Aims & Objectives	<p><b>Introduction:</b> I, U. Prasad, a lecturer in commerce, organized a career guidance program focused on preparing students for the APPGCET 2022 (Andhra Pradesh Post Graduate Common Entrance Test).</p> <p>The program aimed to assist students in successfully preparing for the M.Com entrance examination, ensuring they are equipped with the necessary knowledge and skills to excel.</p>
Report Objectives:	<ol style="list-style-type: none"><li><b>Assessment of Student Needs:</b><ul style="list-style-type: none"><li>Conducted surveys and interviews to understand students' current knowledge levels and areas of improvement required for APPGCET preparation.</li><li>Identified common challenges faced by students in preparing for competitive entrance exams like APPGCET.</li></ul></li><li><b>Development of Comprehensive Study Material:</b></li></ol>

- Created study guides, practice tests, and reference materials tailored to the APPGCET syllabus.
- Ensured accessibility of study materials both online and offline to cater to diverse learning preferences.

### **3. Delivery of Effective Teaching Strategies:**

- Designed interactive sessions and workshops covering key topics in M.Com entrance exams.
- Employed diverse teaching methodologies such as lectures, group discussions, and mock tests to enhance understanding and retention.

### **4. Individualized Counselling and Guidance:**

- Provided personalized counselling sessions to address specific academic and psychological concerns of students.
- Offered guidance on exam strategies, time management, and stress management techniques to improve performance.

### **5. Encouragement of Continuous Learning:**

- Promoted a culture of continuous learning beyond the program duration through follow-up sessions and online resources.
- Emphasized the importance of self-study and regular practice to reinforce concepts and boost confidence.

### **6. Evaluation of Program Effectiveness:**

- Conducted regular assessments and feedback surveys to gauge the program's impact on students' preparedness.
- Analyzed success rates in subsequent APPGCET exams to measure the program's effectiveness in achieving its goals.

**Conclusion:** The career guidance program for APPGCET 2022 aimed to empower students with the necessary skills and knowledge to excel in the M. Com entrance examination. By addressing specific academic needs, providing comprehensive study resources, and offering personalized guidance, the program endeavoured to maximize students' potential and ensure their readiness for the competitive challenges ahead.

This report highlights the structured approach taken to prepare students effectively for the APPGCET, emphasizing the importance of targeted guidance and continuous support in achieving academic success.

**Department of ECONOMICS**

Date: 03-02-2022

**Circular**

This is to inform all first, second, and third-year B.A. Economics students that the Department of Economics is organizing a Career Guidance Program on M.A. Economics Entrance Exams. The program details are as follows:

**Date** 04-02-2022

**Time:** 11 AM

**Venue:** III BA. class room

The resource person for this program is B ESWARAI AH, Lecturer in Economics.

The aim of the program is to provide comprehensive guidance and preparation strategies to students aspiring to pursue M.A. Economics through various competitive entrance exams.

The objectives of the program are:

1. To familiarize students with the different entrance exams for M.A. Economics, including , and APPGSET.
2. To provide detailed information on the syllabus and exam patterns of these entrance exams.
3. To share effective preparation strategies and study plans.
4. To recommend useful study materials and resources.
5. To emphasize the importance of practicing with mock tests and previous years' question papers.
6. To motivate and inspire students to aim high and achieve their academic goals.

All first, second, and third-year B.A. Economics students are encouraged to attend this valuable session. Your active participation will greatly benefit your preparation for higher education in Economics.

Yours Sincerely,

To recommend useful study materials and resources.</li> <li>5. To emphasize the importance of practicing with mock tests and previous years' question papers.</li> <li>6. To motivate and inspire students to aim high and achieve their academic goals.</li> </ol>
Brief report of the Activity	<p>The Department of Economics at Government Degree College, Rayachoty, organized a Career Guidance Program on PG Economics entrance exams 2022-2023 for admissions into M.A Economics courses. The program was conducted on 3<sup>rd</sup> December 2021 by B Eswaraiiah , a dedicated lecturer in Economics at our college. Key Highlights of the Program:</p> <ol style="list-style-type: none"> <li>1. <b>Overview of PGCET 2021-2022:</b> B. Eswaraiiah provided an extensive overview of the PGCET2021-2022 entrance exam. He explained the importance of the exam and the</li> </ol>

opportunities it offers for pursuing M.A Economics courses in prestigious institutions.

## 2. Syllabus and Exam Pattern:

Detailed insights were shared on the syllabus and exam pattern of PG CET 2021-2022. This included the types of questions, marking schemes, and important topics to focus on.

## 3. Preparation Strategies:

The session included effective preparation strategies, study plans, and tips on how to manage time during the exam. Emphasis was placed on understanding fundamental concepts and regular practice.

## 4. Resource Materials:

Students were informed about various study materials, reference books, and online resources that could aid their preparation.

## 5. Mock Tests and Previous Papers:

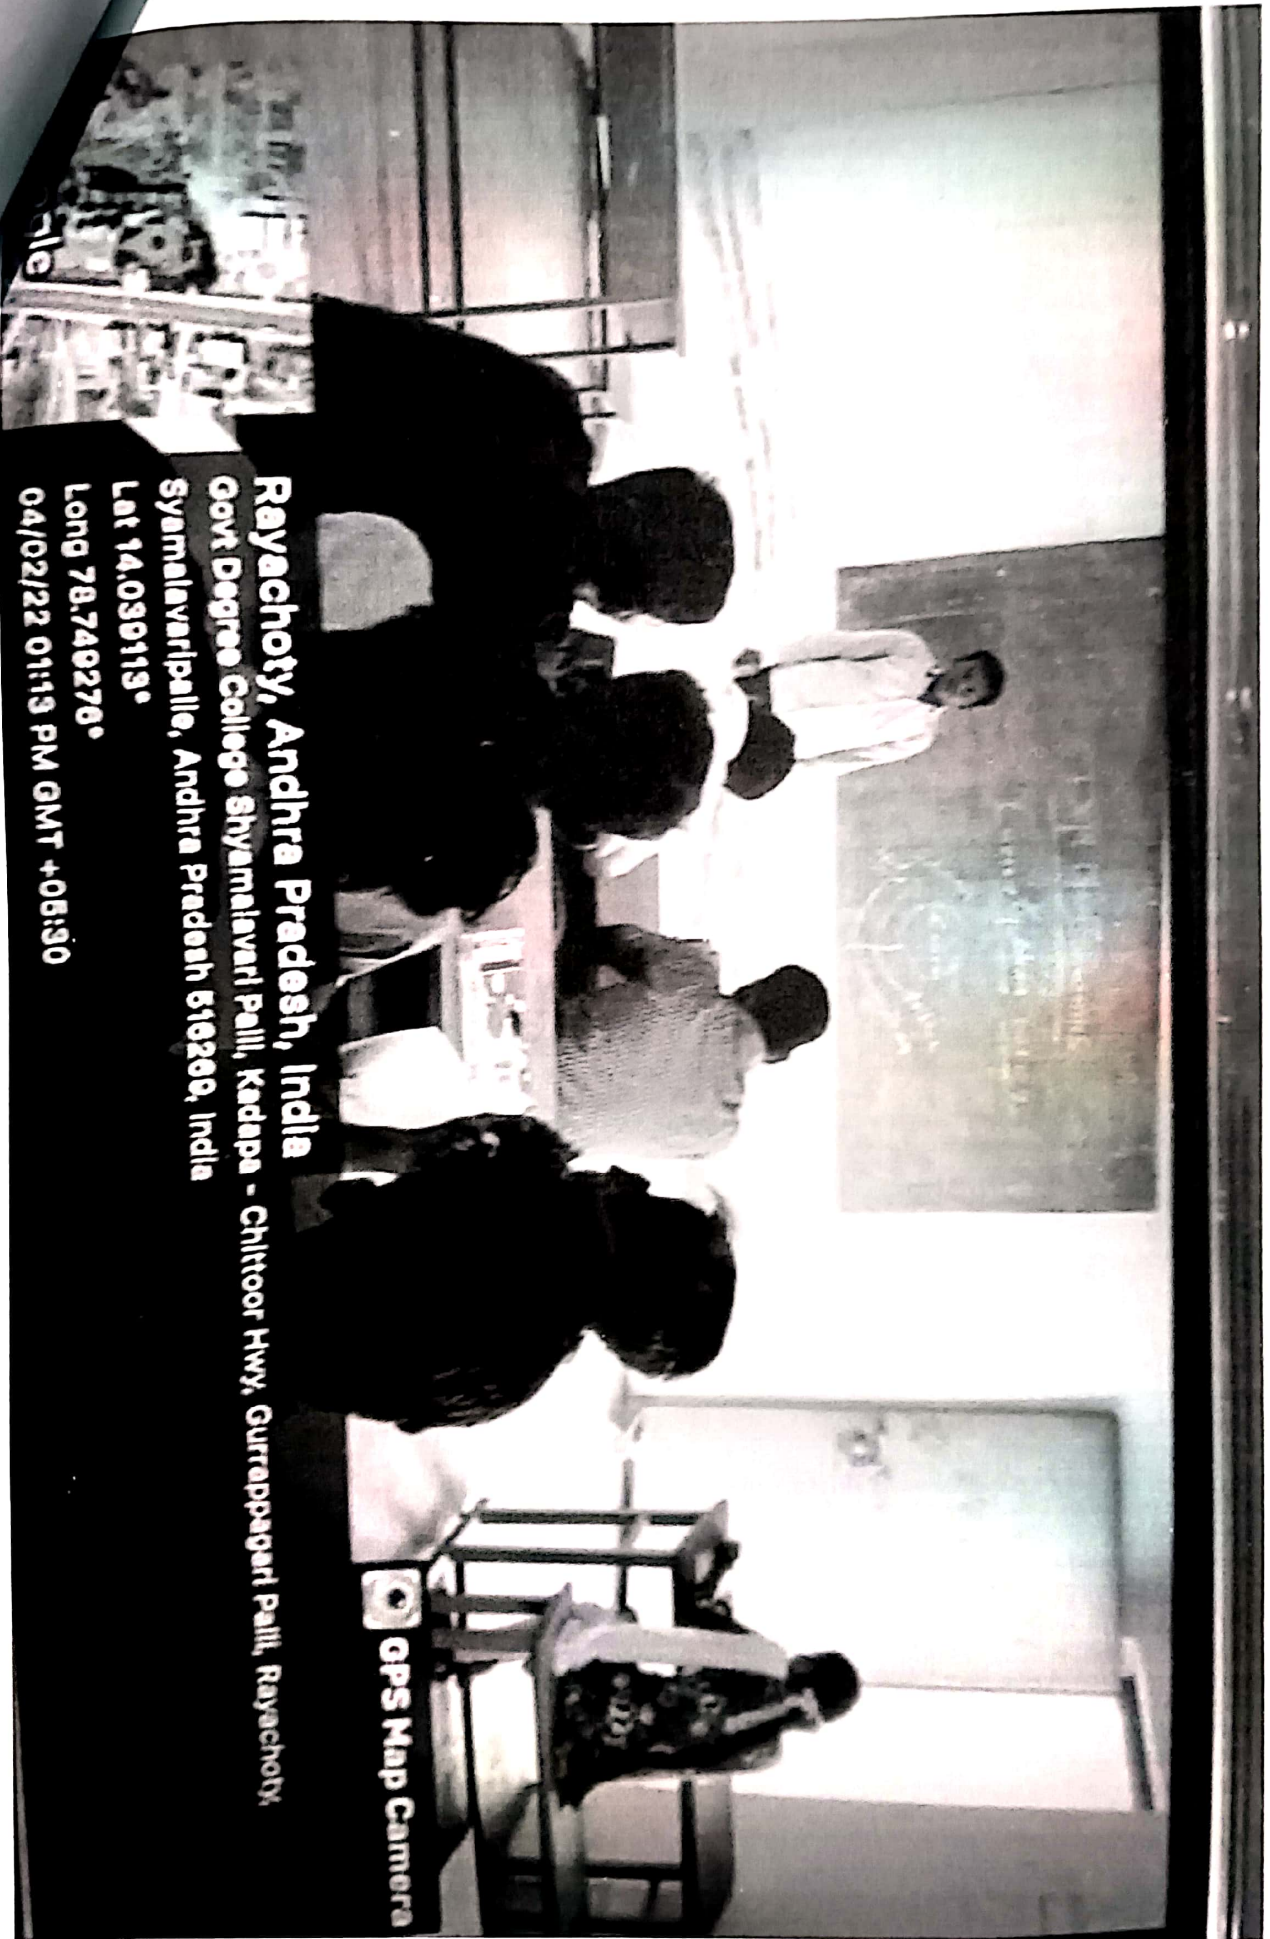

6. The importance of practicing with mock tests and previous years' question papers was highlighted. B. Mallikarjuna Reddy encouraged students to solve as many practice papers as possible to get a feel of the actual exam.

## 7. Motivation and Guidance:

8. The program also included motivational talks to inspire students to aim high and remain persistent in their efforts. Personal anecdotes and success stories were shared to boost the morale of the attendees.

Attendance: The program was attended by 18 students. The enthusiastic participation of the students reflected their keen interest in pursuing higher education in M.A Economics courses.

Conclusion: The Career Guidance Program on PG Economics entrance exams 2021-2022 was highly informative and beneficial for the students. The detailed guidance and strategies provided by B Eswaraiah have equipped the students with the necessary knowledge and confidence to prepare effectively for PG CET-2021-2022. The Department of Economics plans to conduct more such sessions in the future to continuously support the academic and career aspirations of our students

	<p><b>AIM</b></p> <p>Master of Arts (MA) program in Political Science encompasses several objectives that collectively deepen students' understanding of political processes, systems, and theories. Here are the key aims of an MA in Political Science:</p> <p><b>OBJECTIVES:</b></p> <ol style="list-style-type: none"><li>1. Political science examines the structures and functions of political institutions such as legislatures, executives, judiciaries, and bureaucracies. It explores how these institutions interact, make decisions, and shape public policy.</li><li>2. To provide detailed information on the syllabus and exam patterns of these entrance exams.</li><li>3. To share effective preparation strategies and study plans.</li><li>4. To recommend useful study materials and resources.</li><li>5. To emphasize the importance of practicing with mock tests and previous years' question papers.</li><li>6. To motivate and inspire students to aim high and achieve their academic goals.</li></ol> <p>The Department of the Political Science at Government Degree College, RAYACHOTY, organized a Carrer Guidance programmed focused on MA Political Science Entrance Exam. The Programmed was Conducted by S.MOHAMMAD BASHA MA a dedicated</p>

Lecturer in Political Science at our college.

#### Overview of Entrance Examination:

As per the Sources, AP PGECET 2022 Exam Date has been announced. AP PGECET (Andhra Pradesh Postgraduate Common Entrance Test) is a state level Examination. This test is managed by Sri Venkateswara University, Tirupati on behalf of the A.P. State Council of Higher Education (APSCHE). Difficulty Level: PGECET 2023 was of moderate difficulty level. Testing Mode: The PGECET exam was conducted as paper-based test. Exam Duration: The PGECET was of 2 hours duration each for MA and M.SC courses. To short list candidates for admission into various courses in university or colleges in Andhra Pradesh. The minimum qualifying marks for ranking in APPGCET shall be 35% of maximum marks. However, there shall be no minimum qualifying marks for the candidates belonging to the category of Schedule Castes and Scheduled Tribes for ranking.

The Department of Political Science Government Degree College RAYACHOTY Anamaya district Conducted a career guidance Programmed at UG students every year before summer vacations. It's helpful the student's career and their bright future. Our students got PG seats at various Universities Like YV University and SV University and HCU Hyderabad.

#### Motivation and Guidance:

The motivation and guidance for pursuing a Master of Arts (MA) in Political Science can be driven by various factors, both personal and professional. Here are some key motivations and guidance for individuals considering or already enrolled in an MA program in Political Science:

Many students are motivated by a genuine interest and passion for understanding political systems, theories, and dynamics. They are driven by a desire to delve deeper into how governments function, how policies are formulated, and how political decisions impact societies.

Some students pursue an MA in Political Science with clear career goals in mind. This could include aspirations for careers in government, public administration, international organizations, diplomacy, advocacy, law, journalism, or academia. The MA provides specialized knowledge and skills relevant to these fields.

The program appeals to individuals who are intellectually curious and seek to engage with complex political ideas, debates, and research. It offers opportunities to explore diverse perspectives and challenge one's own assumptions through rigorous academic inquiry.

### Syllabus and Exam Pattern:

The syllabus and exam pattern for Political Science courses can vary depending on the university, country, and specific program. However, I can provide a general overview of what you might expect in terms of syllabus and exam patterns for Political Science at the undergraduate and postgraduate levels: The specific details of the syllabus and exam pattern will vary between universities and programs, so it's important for students to refer to their institution's official curriculum guides and examination policies for precise information.

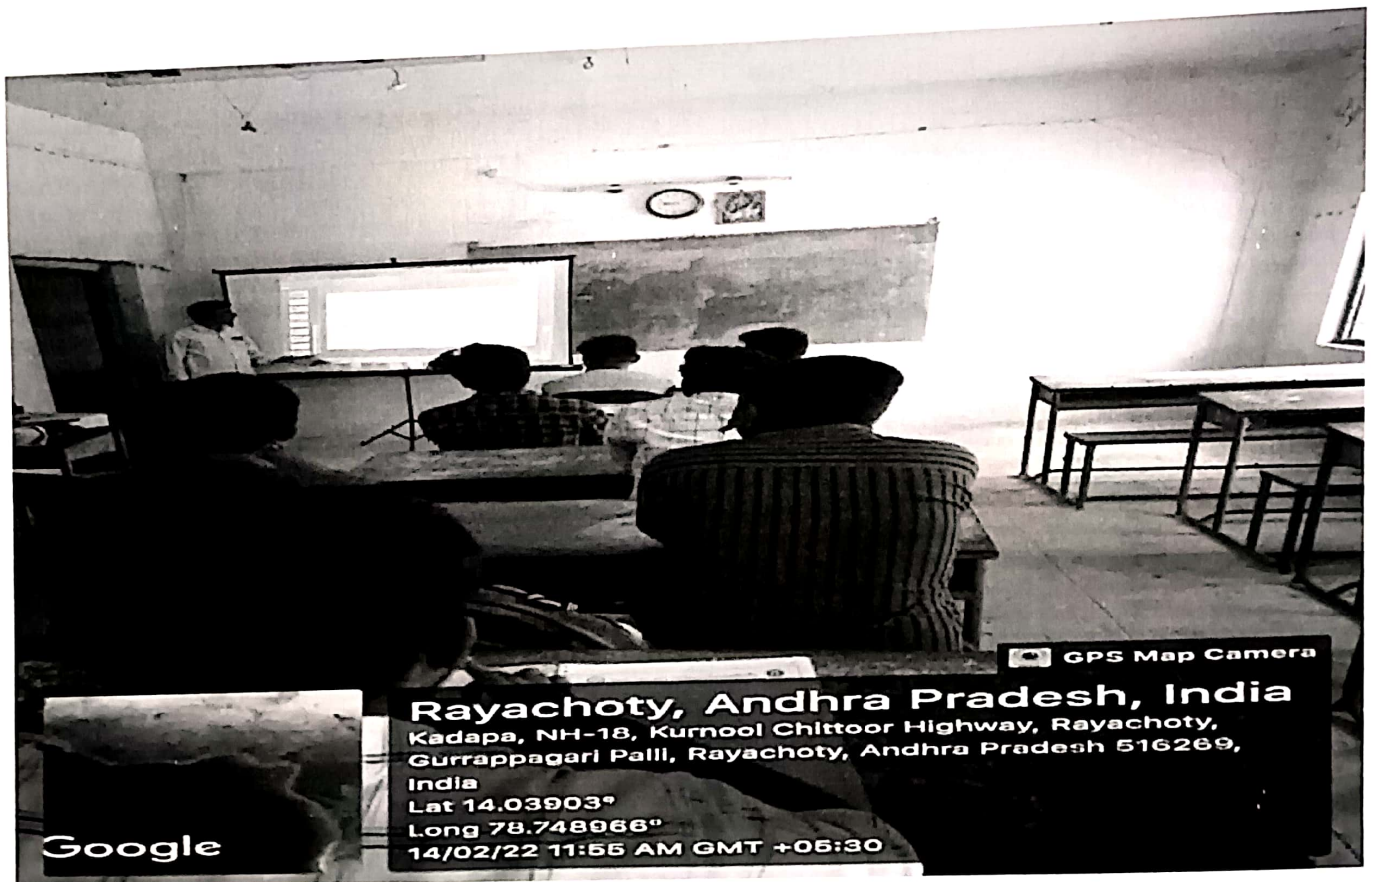

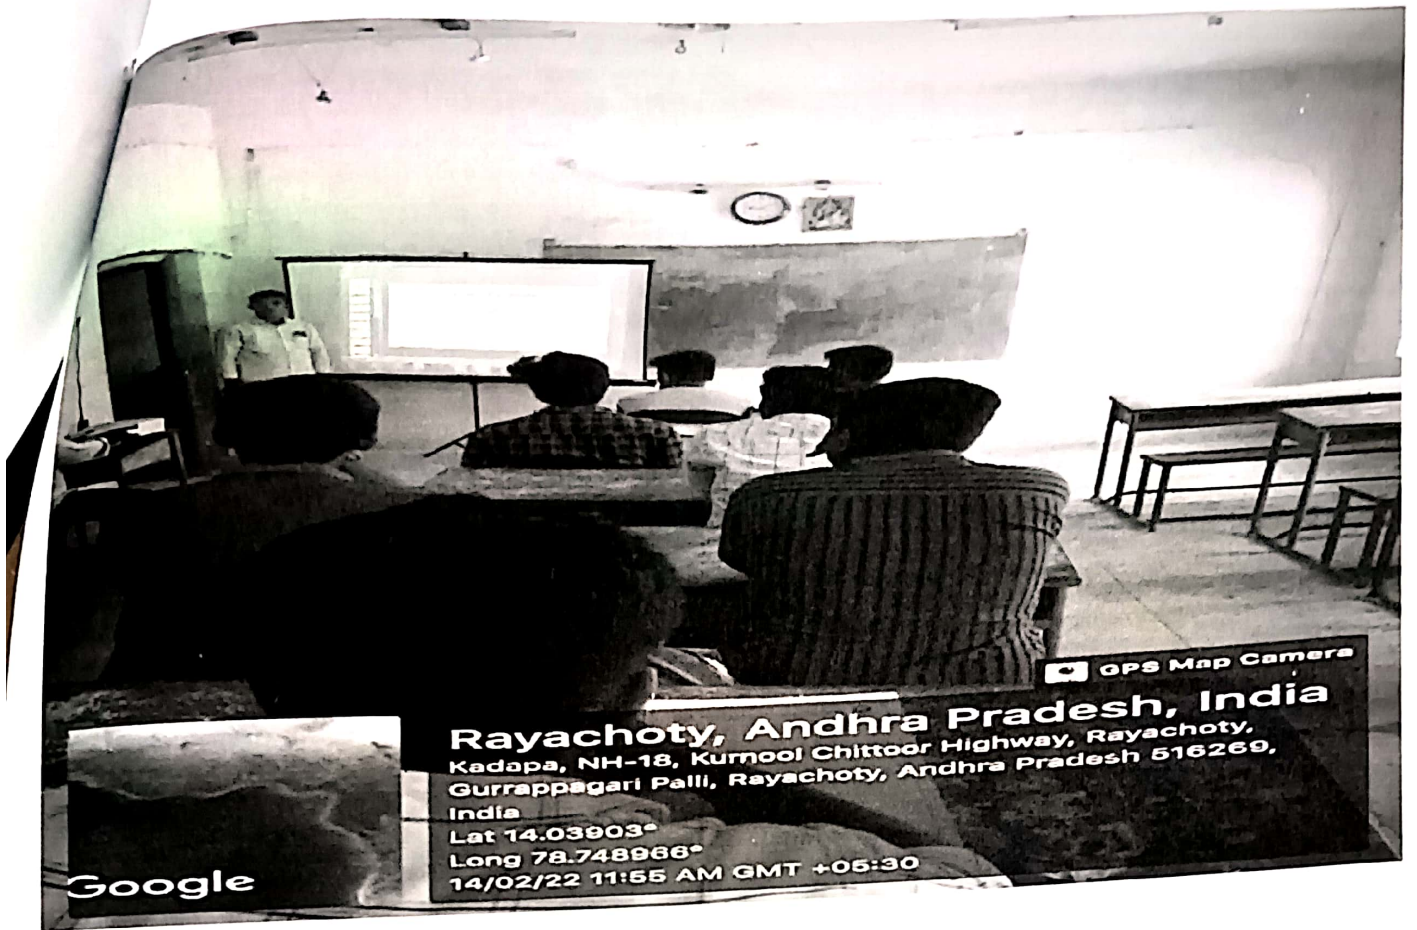

### Outcomes of the Career Guidance

By participating in a quiz competition, students can develop their communication skills and learn how to work effectively with others. Finally, quiz competitions help students to develop their confidence.

Quiz reports show the average grade for a quiz, the grades for individual students on a quiz, the average grade on a specific quiz question, the results for individual students for a quiz question, and a comparison between individual quiz question results and overall quiz results.

Quiz is a quick and informal assessment of student knowledge. Quizzes are often used in North American higher education environments to briefly test a student level comprehension regarding a quiz competition

A quiz refers to a short test of knowledge, typically around 10 questions in length, with question formats often including multiple choice, fill in the blanks, true or false and short answer. A quiz is much shorter than a traditional test or exam and is rarely impactful on a final course grade. Professors who employ quizzes in their courses—a practice which is increasingly viable thanks to the broader use of technology in higher ed—may schedule them in each class to ensure students have retained knowledge from the previous lesson. Others may hold pop quizzes, which are surprise tests geared towards making sure students have read course materials and are understanding broader course learning.
