Department of Chemistry

Academic Year- 2022-23

Date: 18-01-2023

Circular

This is to inform all first, second, and third-year B.Sc. Chemistry students that the Department of Chemistry is organizing a Career Guidance Program on PG CET Awareness. The program details are as follows:

Date: 19-01-2023

Time: 3:30 PM

Venue: Room No- 208

The resource person for this program is M. Bhanu Prakash Reddy M.Sc, M.Ed. Lecturer in Chemistry.

The aim of the Career Guidance Program is to provide detailed guidance and preparation strategies for students aspiring to pursue M.Sc Chemistry -2023.

The objectives of the program are:

- o Provide comprehensive study materials and resources.
- o Offer tips and strategies for effective exam preparation.
- o Conduct mock tests and practice sessions.
- o Inform students about various career options with a postgraduate degree in chemistry.
- o Highlight opportunities in academia, research, industry, and government sectors.
- o Discuss emerging fields and interdisciplinary areas related to chemistry.
- o Organize seminars, workshops, and guest lectures from experts.
- o Encourage participation in professional organizations and conferences.

All first, second, and third-year B.Sc. Chemistry students are encouraged to attend this valuable session. Your active participation will greatly benefit your preparation for your career.

Yours Sincerely,

M. Bhanu Prakash Reddy,
Lecturer in Chemistry

Brief report of the Activity

Ap govt conducts PG SET every year for admissions in to various PG courses on behalf of higher education department as part of which awareness program is conducted on behalf of chemistry department of Govt Degree college Rayachoti on 19-01-2023.

Attendance-

Total 24 Students are attended to this program. The Enthusiastic participation of the students reflected their keen interest in pursuing higher education(M.Sc Chemistry).

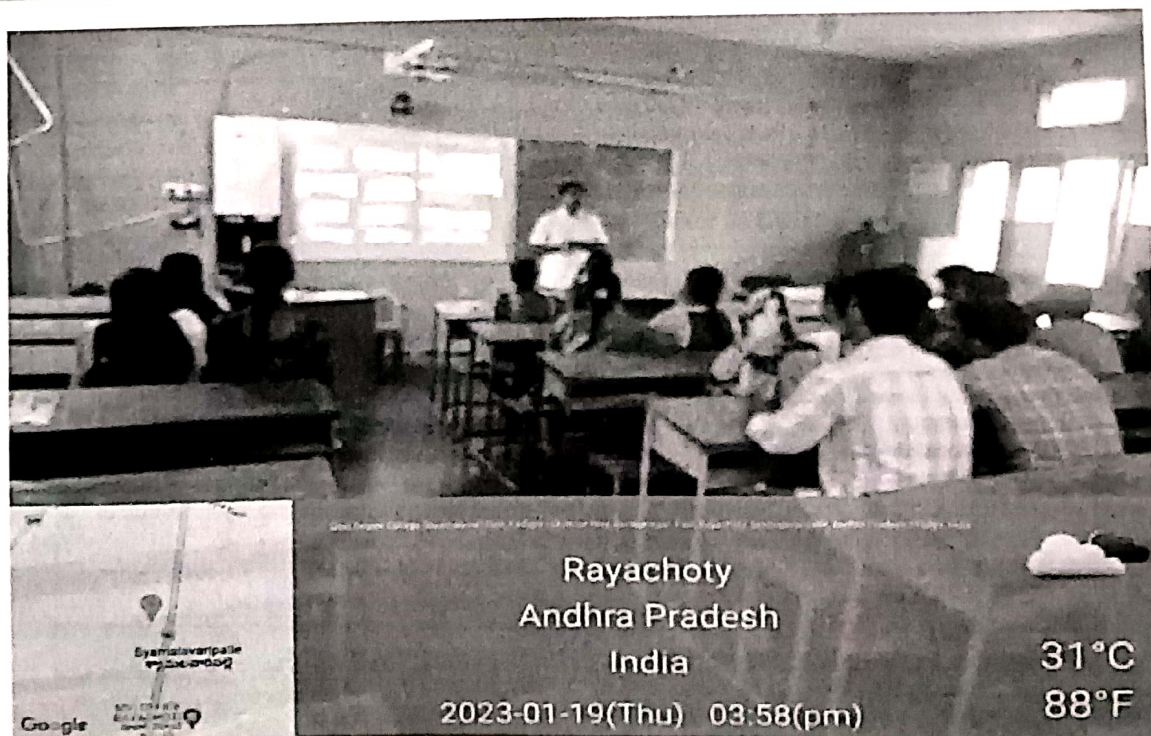

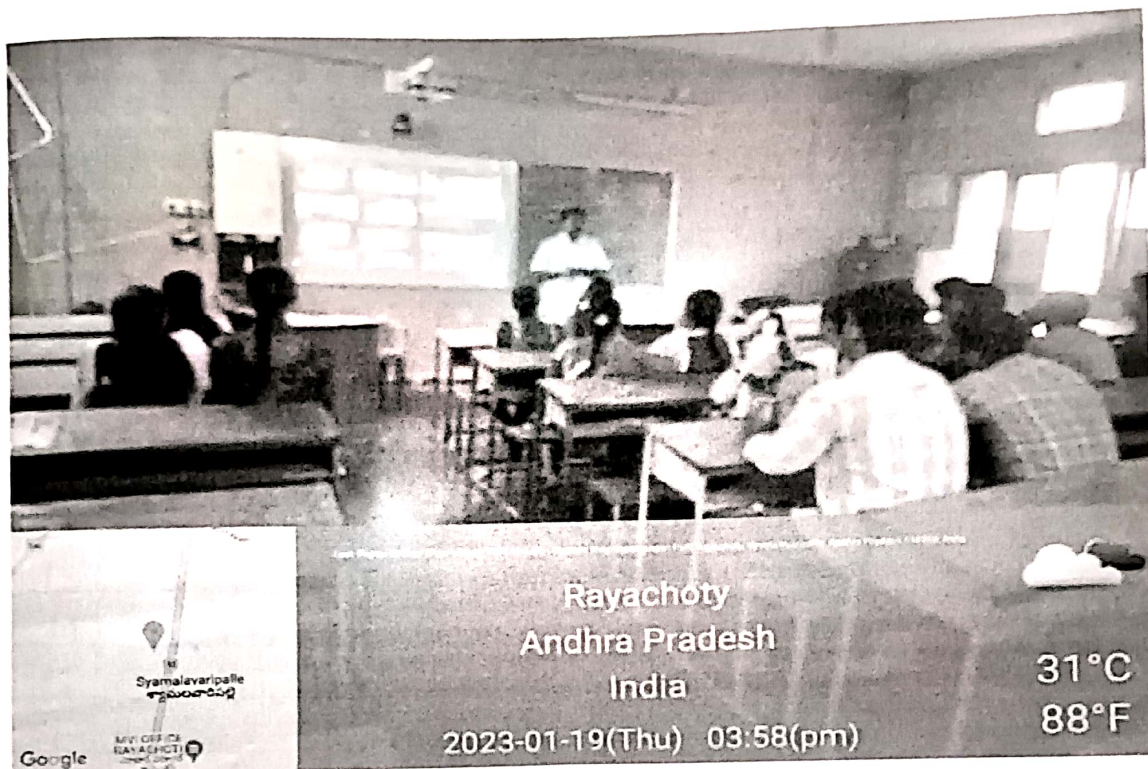

Conclusion:

Career Guidance Programmer provided valuable insights and practical advice for students preparing for Higher Education Entrance exams. M. Bhanu Prakash Reddy's guidance on exam patterns, study strategies, and resource recommendations was well-received. The session motivated students to pursue their goals with dedication and confidence. Overall, the program successfully equipped attendees with the knowledge and inspiration needed to excel in their exam preparation. This event was a significant step towards helping students achieve their Higher Education Admission(M.Sc Chemistry e.t.c).

CAREER COUNCELLING

Name of the Activity : Career Counselling-What next after B.Sc
Date : 01.02.2023
Resource Person : Dr.M.Muniya Naik
No of Participants : Nearly 20 Students
Topic : Career Counseling-What next after B.Sc

Objectives of career Counselling program:

Career Counselling helps them understand the career options that they have, and how to pursue them. Career Counselling helps them understand their own strengths and weaknesses with regard to their present course or profession, and lets them know what career they would be suited for.

Description of the program :

1. P.G courses

M.Sc., Zoology,
M.Sc., Botany,
M.Sc., Chemistry,
M.Sc., Environmental Studies,
M.Sc., Genetics,
M.Sc., Horticulture,
M. Sc., Sericulture.,
M.Sc., Fishery Science
M.Sc., Nutrition
M.Sc., Biochemistry
M.Sc., Bio Technology ,
M.Sc., Bio Informatics,
M.Sc., Micro Biology ,

6. Other Diploma courses

Diploma in Dairy technology
Diploma in Fisheries technology and Aquaculture
Diploma in Bio security and Incursion management
Diploma in Pesticide management
Diploma in Plant health engineering
Diploma in Vertebrate Pest structural management
Diploma in Bio control input production management
Diploma in Plant health management
Courses available in Andhra University
M.Sc., Bio chemistry, Bio technology, Horticulture & landscape management, Environmental science, Marine biology & fisheries, coastal Aquaculture & marine Biotechnology, Marine Biotechnology, Human Genetics, Molecular Genetics, Fishery Science, Food and Nutrition dietics, M.S., Molecular Biology.

	AIMS To provide detailed guidance and preparation strategies for student's aspirin to pursue MA Urdu. Through APPGCET. OBJECTIVES: <ul style="list-style-type: none">• Present detailed information about the MA Urdu curriculum, course structure, and academic requirements.• Explain the significance of MA Urdu in academic and professional contexts.• Advise students on effective study techniques and resources to prepare for MA Urdu entrance exams.• Conduct mock tests or practice sessions to familiarize students with exam formats.• Provide insights into how MA Urdu can lead to careers in academia, publishing, translation, etc
Brief Report of the activity	The Department of Urdu at Government Degree College, RAYACHOTY, organized a Carrer Guidance programmed focused on MA Urdu Entrance Exam. The Programmed was Conducted by N. AFSANA and Dr. S. Farook Basha a dedicated Lecturers in URDU at our college.

Overview of Entrance Examination:

As per the Sources, AP PGECET 2023 Exam Date has been announced. AP PGECET (Andhra Pradesh Postgraduate Common Entrance Test) is a state level Examination. This test is managed by ANDHRA UNIVERSITY, VISHAKAPATNAM, on behalf of the A.P. State Council of Higher Education (APSCHE). Difficulty Level: PGECET 2023 was of moderate difficulty level. Testing Mode: The PGECET exam was conducted as paper-based test. Exam Duration: The PGECET was of 2 hours duration each for MA and M.SC courses. To short list candidates for admission into various courses in university or colleges in Andhra Pradesh. The minimum qualifying marks for ranking in APPGECET shall be 35% of maximum marks. However, there shall be no minimum qualifying marks for the candidates belonging to the category of Schedule Castes and Scheduled Tribes for ranking.

The Department of Urdu Government Degree College RAYACHOTY Anamaya district Conducted a career guidance Programmed at UG students every year before summer vacations. It's helpful the student's career and their bright future. Our students got PG seats at various Universities Like YV University and SV University and MANUU Hyderabad.

The career guidance program for MA Urdu aims to provide comprehensive support and information to prospective students interested in pursuing postgraduate studies in Urdu literature. It is designed to assist students in making informed decisions about their academic and career paths, while also preparing them for the rigorous demands of the MA Urdu program.

Syllabus:

- Urdu Poetry (Classical and Modern)
- Urdu Prose (Classical and Modern)
- Urdu Drama
- Urdu Fiction (Novels and Short Stories)
- Urdu Literary Criticism and Theory
- Comparative Literature (Urdu and other literatures)
- Translation Studies
- Linguistics and Urdu Language Structure
- Urdu Media Studies
- Urdu Women Writers
- Special Authors or Movements in Urdu Literature

Pattern of Examination:

Objective type. True or false

Resource Material

Students have access to a variety of resource materials including textbooks, academic journals, digital libraries, and archives that cater

specifically to Urdu literature. Guidance is provided on utilizing these resources effectively for research and academic purposes.

Guidance

Personalized guidance is offered through one-on-one counseling sessions with faculty members and academic advisors. These sessions focus on academic planning, career aspirations, and overcoming challenges associated with MA Urdu studies.

Attendance

Regular attendance in classes, seminars, and workshops is encouraged to ensure comprehensive understanding of course materials and active participation in academic discussions. Attendance records are maintained to monitor student engagement and progress.

Outcomes of the Career Guidance

Pursuing an MA in Urdu can lead to a variety of career opportunities both within and outside academia. Here are some potential outcomes and career guidance related to an MA in Urdu:

Academic Careers:

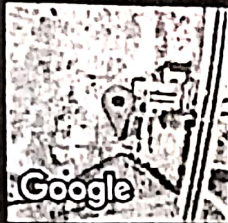

1. **Teaching:** Many graduates with an MA in Urdu go on to become Urdu language or literature teachers at various educational levels, including schools, colleges, and universities.
2. **Research:** Those inclined towards research can pursue doctoral studies (Ph.D.) in Urdu literature or related fields. This path can lead to academic positions as professors or researchers in universities and research institutions.
3. **Academic Administration:** Graduates can also pursue administrative roles in educational institutions, such as department heads or academic advisors.
4. **Urdu Journalism:** Graduates can work as Urdu journalists, reporters, editors, or columnists in print, digital, or broadcast media outlets focusing on Urdu language content.
5. **Translation and Publishing:** Opportunities exist in translating Urdu literature or scholarly works into other languages, or vice versa. Graduates can also work in Urdu publishing houses as editors, proofreaders, or content developers.
6. **Cultural Institutions:** Careers in cultural organizations, museums, libraries, and archives focusing on Urdu literature and culture, including roles in curation, preservation, and outreach.
7. **Arts Management:** Graduates can work in positions related to managing cultural events, literary festivals, and promoting Urdu literature and arts.

Conclusion

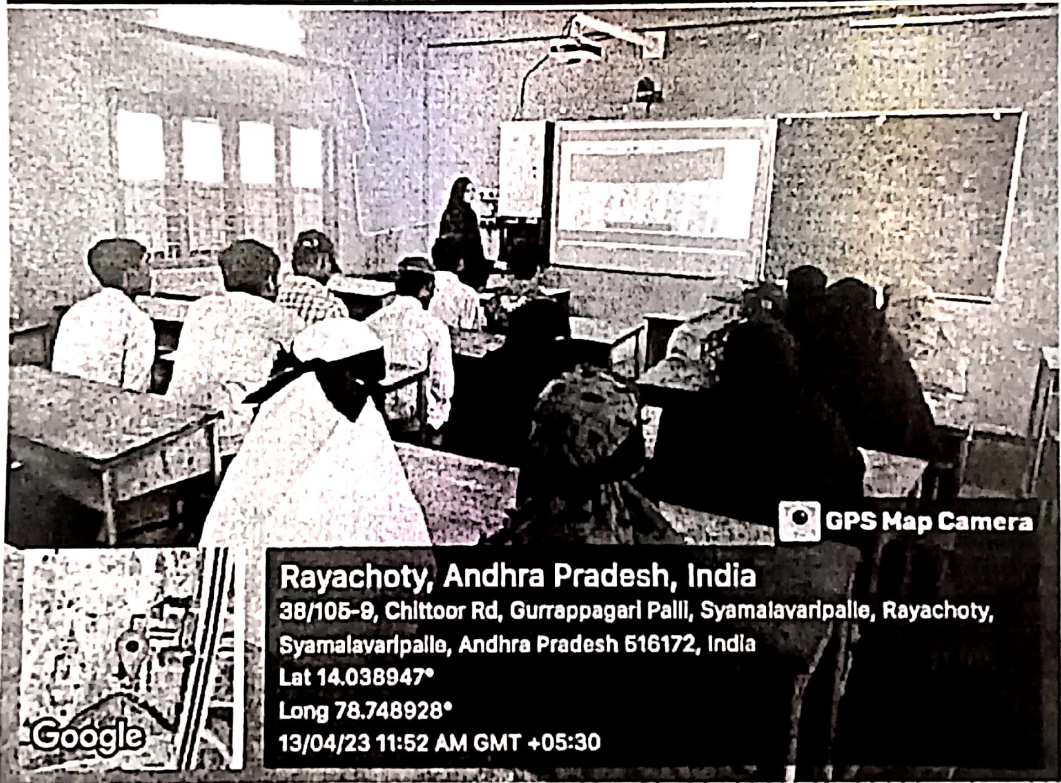

In conclusion, the career guidance program for MA Urdu is dedicated to supporting students throughout their academic journey and beyond. By providing detailed information on syllabus, examination patterns, resource materials, and personalized guidance, the program aims to equip students with the necessary skills and knowledge to succeed in their MA Urdu studies and pursue fulfilling careers in Urdu literature and related fields. Continuous feedback and improvement ensure that the program remains responsive to the evolving needs of students and the demands of the academic environment

Brief report of the Activity	<p>The Department of Economics at Government Degree College, Rayachoty, organized a Career Guidance Program on PG Economics entrance exams 2022-2023 for admissions into M.A Economics courses. The program was conducted on 23rd January by B Eswaraiah , a dedicated lecturer in Economics at our college. Key Highlights of the Program:</p> <ol style="list-style-type: none">1. Overview of PGCET 2022-2023: B. Eswaraiah provided an extensive overview of the PGCET2022-2023 entrance exam. He explained the importance of the exam and the

opportunities it offers for pursuing M.A Economics courses in prestigious institutions.

2. Syllabus and Exam Pattern:

Detailed insights were shared on the syllabus and exam pattern of PG CET 2022-2023. This included the types of questions, marking schemes, and important topics to focus on.

3. Preparation Strategies:

The session included effective preparation strategies, study plans, and tips on how to manage time during the exam. Emphasis was placed on understanding fundamental concepts and regular practice.

4. Resource Materials:

Students were informed about various study materials, reference books, and online resources that could aid their preparation.

5. Mock Tests and Previous Papers:

6. The importance of practicing with mock tests and previous years' question papers was highlighted. B. Mallikarjuna Reddy encouraged students to solve as many practice papers as possible to get a feel of the actual exam.

7. Motivation and Guidance:

8. The program also included motivational talks to inspire students to aim high and remain persistent in their efforts. Personal anecdotes and success stories were shared to boost the morale of the attendees.

Attendance: The program was attended by 18 students. The enthusiastic participation of the students reflected their keen interest in pursuing higher education in M.A Economics courses.

Conclusion: The Career Guidance Program on PG Economics entrance exams 2022-2023 was highly informative and beneficial for the students. The detailed guidance and strategies provided by B Eswaraiiah have equipped the students with the necessary knowledge and confidence to prepare effectively for PG CET-2022-2023. The Department of Economics plans to conduct more such sessions in the future to continuously support the academic and career aspirations of our students

(Accredited with C grade by NAAC)

Department of History

Academic Year 2022-2023

Date : 04-03-2023

CIRCULAR

This is to Inform all the students that the Department of History is organizing Carrer Guidance Program on **APPGCET-2023, APICET-2023** for Admissions into **Post Graduate & MBA** Courses. The program details are as follows:

Date : **05-03-2023**

Time : 03.00 PM TO 04:30 PM

Venue : III B.A. History student at Computer Lab

The resource person for this program is Mr. K.Gurappa, Lecturer in History at Government Degree College, Rayachoty.

The aim of the Program is to be provide detailed guidance and presentation strategies for students aspiring to pursue **Post Graduate & MBA** Courses through **APPGCET-2023, APICET-2023** Entrance Test

The Objectives of the program are :

1. To familiarize students with the **APPGCET-2023, APICET-2023** entrance exam for admissions.
2. To provide detailed information on the syllabus and exam pattern of **APPGCET-2023, APICET-2023**
3. To Share effective preparation strategies and study plans.
4. To recommend the importance of practicing with mock test and previous year's question papers.
5. To motive and inspire students to aim high and achieve their academic goals.
6. To recommend useful study materials and resources.

All the students are encouraged to attend this valuable session. Your active participation will greatly benefit your preparation for Higher Education in **Post Graduate & MBA** courses.

Yours faithfully,

K. Gurappa

Aims & Objectives	<p>Aim To Provide detailed guidance and preparation strategies' for students aspiring to pursue Post Graduate & MBA courses through APPGCET-2023, APICET-2023</p> <p>Objectives :</p> <ul style="list-style-type: none">❖ To familiarize students with the APPGCET-2023, APICET-2023 entrance exam for Post Graduate & MBA admissions.❖ To provide detailed information on the syllabus and exam pattern of APICET 2023 and APPGCET 2023.❖ To Share effective preparation strategies and study plans.❖ To recommend the importance of practicing with mock test and previous year's question papers.❖ To motive and inspire students to aim high and achieve their academic goals.❖ To recommend useful study materials and resources.

Brief report of the Activity

The Department of Computer Science is organizing Career Guidance Program on APPGCET-2023, APICET-2023, for Admissions into Post Graduate & MBA Courses. The program was conducted on 05-03-2023 by Mr. K. Gurappa, Lecturer in History.

Over view of APPGCET-2023, APICET-2023:

K. Gurappa provided a extensive of the APPGCET-2023, APICET-2023, entrance examination. He explained the importance of the examination and the opportunities it offers for pursuing Post Graduate & MBA in the prestigious institutions.

Syllabus and Examination Pattern for 2023:

Detailed insights were shared on the syllabus and examination pattern of APPGCET-2023, APICET-2023, This included the types of questions, making schemes, and important topic to focus on.

Preparation Strategies' :

The session included effective preparation strategies', study plans and tips on how to manage time during the examination. Emphasis was placed on understanding fundamental and regular practice.

Resource Materials

Mock Test and Previous Question Papers

Motivation and Guidance

Attendance :

The program was attended 21 students. The enthusiastic participation of the students reflected their keen interest in pursuing Higher Education in Post Graduate & MBA.

Conclusion :-

The Carrer Guidance program on APPGCET-2023, APICET-2023, was highly informative and beneficial for the students. The detailed guidance and strategies' provided by K. Gurappa have equipped the students with necessary knowledge and confidence to prepare effectively for APPGCET-2023, APICET-2023. The Department of History plans to conduct more such sessions in the future to continuously support the academic and career aspiration of our students

Department of Physics

Date: 03-03-2023

Circular

This is to inform all first, second, and third-year B.Sc. Physics students that the Department of Physics is organizing a Career Guidance Program on Banking. The program details are as follows:

Date: 06-03-2023

Time: 10 AM

Venue: III M.P.Cs. class room

The resource person for this program is Dr B. Venkata Rao, M.Sc,B.Ed,MPhil,Ph.D. Lecturer in Physics.

The aim of the Career Guidance Programme is to help students understand and prepare for Banking, providing them with the necessary information, strategies, and motivation to succeed in securing government jobs.

The objectives of the program are:

Exam Familiarity: Ensure students are well-versed with the exam pattern, syllabus, and types of questions asked in banking exams.

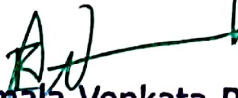

Concept Clarity: Provide thorough understanding and clarity on fundamental concepts in areas like Quantitative Aptitude, Reasoning Ability, English Language, and General Awareness.

Time Management Skills: Equip students with effective time management strategies to handle the exam's time constraints efficiently.

Practice and Mock Tests: Offer ample practice sessions and regular mock tests to assess readiness and improve performance under exam-like conditions.

Current Affairs and Banking Awareness: Keep students updated with current affairs and developments in the banking sector to enhance their banking awareness.

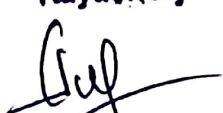

All first, second, and third-year B.Sc. Physics students are encouraged to attend this valuable session. Your active participation will greatly benefit your preparation for your career.

Aims & Objectives	<p>Aim</p> <p>The aim of the Career Guidance Programme is to help students understand and prepare for Banking Exams like IBPS, RRB providing them with the necessary information, strategies, and motivation to succeed in securing Bank jobs.</p> <p>Objectives:</p> <p>Exam Familiarity: Ensure students are well-versed with the exam pattern, syllabus, and types of questions asked in banking exams.</p> <p>Concept Clarity: Provide thorough understanding and clarity on fundamental concepts in areas like Quantitative Aptitude, Reasoning Ability, English Language, and General Awareness.</p> <p>Time Management Skills: Equip students with effective time management strategies to handle the exam's time constraints efficiently.</p> <p>Practice and Mock Tests: Offer ample practice sessions and regular mock tests to assess readiness and improve performance under exam-like conditions.</p> <p>Current Affairs and Banking Awareness: Keep students updated with current affairs and developments in the banking sector to enhance their banking awareness.</p>

Brief report of the Activity

1. **conceptual Classes:** Regular sessions conducted to impart knowledge and clarity on Quantitative Aptitude, Reasoning Ability, English Language, and General Awareness.
2. **Mock Tests:** Weekly mock tests administered to simulate exam conditions and assess student progress.
3. **Time Management Workshops:** Special workshops conducted to improve students' time management skills during exams.
4. **Current Affairs Sessions:** Updated students with current affairs and developments in the banking sector through dedicated sessions.
5. **One-on-One Guidance:** Personalized mentoring provided to address individual strengths and weaknesses.
6. **Feedback and Evaluation:** Continuous feedback given to students based on performance in mock tests and class participation.

Outcomes:

- Improved understanding of exam patterns and syllabus.
- Enhanced problem-solving abilities in key subjects.
- Better time management skills demonstrated during mock tests.
- Increased confidence among students in tackling competitive exams.
- High retention of current affairs and banking knowledge.
- Positive feedback from students regarding the effectiveness of the coaching program

Overview of Exam:

IBPS (Institute of Banking Personnel Selection):

- **Exams Conducted:** IBPS PO, IBPS Clerk, IBPS SO (Specialist Officer), IBPS RRB (Regional Rural Banks).
- **Pattern:** Preliminary Exam (if applicable), Main Exam, and Interview (for PO and SO).
- **Subjects Covered:** Quantitative Aptitude, Reasoning Ability, English Language, General Awareness, and Professional Knowledge (for Specialist Officer).
- **Selection Process:** Based on scores in Main Exam (and Preliminary Exam for PO/Clerk), followed by Interview (for PO/SO).

2. RRB (Regional Rural Banks):

- **Exams Conducted:** IBPS RRB Officer Scale I, II, III and Office Assistant.

- Pattern: Preliminary Exam (for Office Assistant and Officer Scale I), Main Exam, and Interview (for Officer Scale I, II, III).
- Subjects Covered: Similar to IBPS exams with emphasis on Rural Economy and Banking Awareness.
- Selection Process: Scores in Main Exam (and Preliminary Exam for Office Assistant/Officer Scale I), followed by Interview (for Officer Scale I, II, III).

3. Private Banks (ICICI, HDFC):

- Exams Conducted: Each bank may have its own recruitment exams, often including PO and Clerk positions.
- Pattern: Similar to IBPS exams with variations in subjects and exam structure.
- Subjects Covered: Quantitative Aptitude, Reasoning Ability, English Language, General Awareness, and specific Banking Knowledge.
- Selection Process: Typically includes Preliminary Exam, Main Exam, and Interview phases.

Key Points:

- Exam Duration: Typically ranges from 1 to 2 hours per section.
- Negative Marking: Commonly applied for wrong answers.
- Cut-off Scores: Minimum scores required to qualify for the next phase of the selection process.
- Preparation: Emphasizes on thorough understanding of basic concepts, regular practice through mock tests, and staying updated with current affairs and banking developments.

Syllabus and Exam pattern

English Language: Grammar, Vocabulary, Reading Comprehension, Error Spotting, Phrase Replacement.

Quantitative Aptitude: Simplification, Profit & Loss, Mixtures & Allegations, Simple Interest & Compound Interest & Surds & Indices, Work & Time, Time & Distance, Mensuration – Cylinder, Cone, Sphere, Data Interpretation, Ratio & Proportion, Percentage, Number Systems.

Reasoning Ability: Verbal Reasoning, Logical Reasoning, Syllogism, Circular Seating Arrangement, Linear Seating Arrangement, Double Lineup, Scheduling, Input Output, Blood Relations, Directions and Distances, Ordering and Ranking, Data Sufficiency, Coding and Decoding, Code Inequalities.

General Awareness: Current Affairs, International Organizations, History, Geography, Environment, General Science, Arts & Culture.

News, National & International News, Books and Authors, Awards and Honors, Budget and Five Year Plans, Agreements and MoUs, Science Inventions and Discoveries, Abbreviations, Important Days and Weeks, International and National Organizations are some of the topics.

Preliminary Examination:

Sections:

English Language

Quantitative Aptitude

Reasoning Ability

Duration: 1 hour

Mode: Online

Type: Multiple Choice Questions (MCQs)

Marking: 1 mark for correct answer; 0.25 marks deducted for incorrect answer

Main Examination:

Sections:

Reasoning & Computer Aptitude

General/Economy/Banking Awareness

English Language

Data Analysis & Interpretation

Descriptive Paper:

English Language (Letter Writing & Essay)

Duration: Approximately 3 hours (combined for Objective and Descriptive tests)

Mode: Online

Type: MCQs and Descriptive

Interview: Conducted for candidates who qualify in the Main Examination.

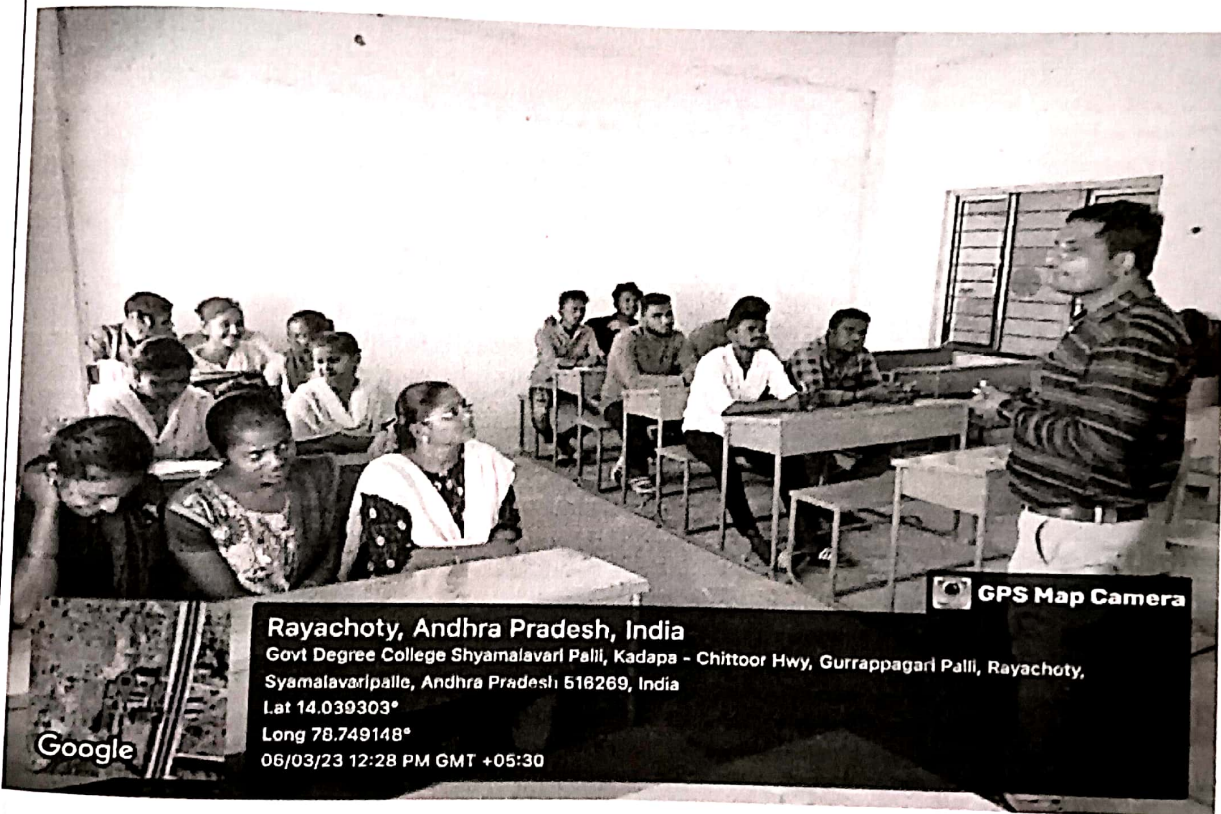

Motivation and Guidance:

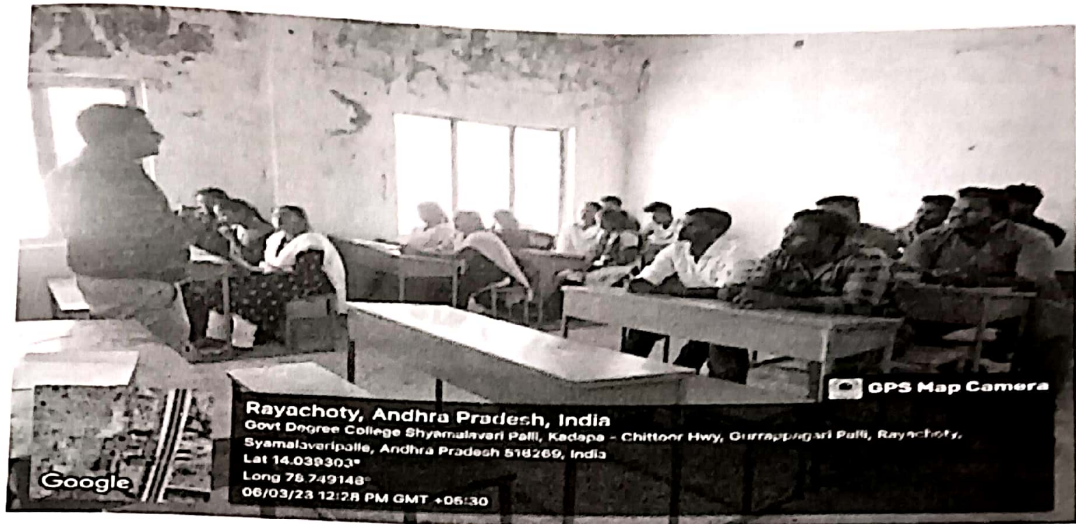

Stay focused on your goals, believe in your abilities, and persist through challenges. Seek guidance when needed, learn from setbacks, and celebrate every step forward. Your dedication and effort will pave the way to success."

Conclusion:

Maintaining determination and a positive mindset are crucial to achieving your aspirations. Embrace continuous learning, adaptability, and resilience to navigate the journey towards your goals effectively. Your commitment will lead to enduring success."

Department of Political Science

Date: 06-08-2022

Circular

This is to inform all first, second, and third-year B.A Political Science students that the Department of Political Science is organizing a Career Guidance Program on M.A Political Science Entrance Exams. The program details are as follows:

Date: 10-08-2022

Time: 10.00 AM

Venue: III BA Class room

The resource person for this program is S. MOHAMMAD BASHA M.A, Lecturer in Political Science

The aim of the program is to provide comprehensive guidance and preparation strategies to students aspiring to pursue M.A Political Science through various competitive entrance exams.

The objectives of the program are:

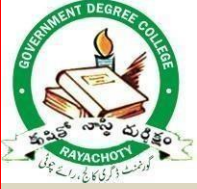

1. Political science examines the structures and functions of political institutions such as legislatures, executives, judiciaries, and bureaucracies. It explores how these institutions interact, make decisions, and shape public policy.
2. To provide detailed information on the syllabus and exam patterns of these entrance exams.
3. To share effective preparation strategies and study plans.
4. To recommend useful study materials and resources.
5. To emphasize the importance of practicing with mock tests and previous years' question papers.
6. To motivate and inspire students to aim high and achieve their academic goals.

All first, second, and third-year B.A Political Science students are encouraged to attend this valuable session. Your active participation will greatly benefit your preparation for higher education in Political Science.

Yours Sincerely,

Dr.P.Harsha Latha M.Sc,M.Phil,P.hd

The Programmed was Conducted by S. MOHAMMAD BASHA MA a dedicated Lecturer in Political Science at our college.</p>

Overview of Entrance Examination:

As per the Sources, AP PGECET 2022 Exam Date has been announced. AP PGECET (Andhra Pradesh Postgraduate Common Entrance Test) is a state level Examination. This test is managed by Sri Venkateswara University, Tirupati on behalf of the A.P. State Council of Higher Education (APSCHE). Difficulty Level: PGECET 2023 was of moderate difficulty level. Testing Mode: The PGECET exam was conducted as paper-based test. Exam Duration: The PGECET was of 2 hours duration each for MA and M.SC courses. To short list candidates for admission into various courses in university or colleges in Andhra Pradesh. The minimum qualifying marks for ranking in APPGCET shall be 35% of maximum marks. However, there shall be no minimum qualifying marks for the candidates belonging to the category of Schedule Castes and Scheduled Tribes for ranking.

The Department of Political Science Government Degree College RAYACHOTY Annamayya district Conducted a career guidance Programmed at UG students every year before summer vacations. It's helpful the student's career and their bright future. Our students got PG seats at various Universities Like YV University and SV University and MANAU Hyderabad.

Motivation and Guidance:

The motivation and guidance for pursuing a Master of Arts (MA) in Political Science can be driven by various factors, both personal and professional. Here are some key motivations and guidance for individuals considering or already enrolled in an MA program in Political Science:

Many students are motivated by a genuine interest and passion for understanding political systems, theories, and dynamics. They are driven by a desire to delve deeper into how governments function, how policies are formulated, and how political decisions impact societies.

Some students pursue an MA in Political Science with clear career goals in mind. This could include aspirations for careers in government, public administration, international organizations, diplomacy, advocacy, law, journalism, or academia. The MA provides specialized knowledge and skills relevant to these fields.

The program appeals to individuals who are intellectually curious and seek to engage with complex political ideas, debates, and research. It offers opportunities to explore diverse perspectives and challenge one's own assumptions through rigorous academic inquiry.

Syllabus and Exam Pattern:

The syllabus and exam pattern for Political Science courses can vary depending on the university, country, and specific program. However, I can provide a general overview of what you might expect in terms of syllabus and exam patterns for Political Science at the undergraduate and postgraduate levels: These specific details of the syllabus and exam pattern will vary between universities and programs, so it's important for students to refer to their institution's official curriculum guides and examination policies for precise information.

Outcomes of the Career Guidance

By participating in a quiz competition, students can develop their communication skills and learn how to work effectively with others. Finally, quiz competitions help students to develop their confidence.

Quiz reports show the average grade for a quiz, the grades for individual students on a quiz, the average grade on a specific quiz question, the results for individual students for a quiz question, and a comparison between individual quiz question results and overall quiz results.

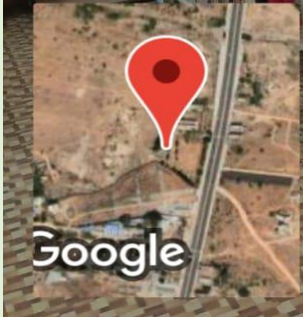

Quiz is a quick and informal assessment of student knowledge. Quizzes are often used in North American higher education environments to briefly test a student level comprehension regarding a quiz competition

A quiz refers to a short test of knowledge, typically around 10 questions in length, with question formats often including multiple choice, fill in the blanks, true or false and short answer. A quiz is much shorter than a traditional test or exam and is rarely impactful on a final course grade. Professors who employ quizzes in their courses—a practice which is increasingly viable thanks to the broader use of technology in higher ed—may schedule them in each class to ensure students have retained knowledge from the previous lesson. Others may hold pop quizzes, which are surprise tests geared towards making sure students have read course materials and are understanding broader course learning.

Department of Commerce

Date: 19-1-2023

Circular

This is to inform all student that the Department of Commerce is organising a Career Guidance program on AP PG CET 2023 for admissions into M. COM courses. The program details are as follows:

Date: 20-01-2023

Time: 11.30. am

Venue: III B. Com Class room.

The resource person for this program is U. PRASAD, M. Com, SET, lecturer in Commerce at Government Degree College, Rayachoti.

The aim of the program is to provide detailed guidance and preparation strategies for students aspiring to pursue M. Com course through APPG CET 2023

To objectives of the program are:

- To familiarize students with the APPGCET 2023 Entrance exam for M.COM admission
- To provide detailed information on the syllabus and exam pattern of APPG CET 2023
- To share effective preparation strategies and study plans
- To recommend useful study material and resources
- To motivate and inspire students to aim high and achieve their academic goals

All students are encouraged to attend this valuable session. Your active participation will greatly benefit your preparation for higher education in M. COM course.

Department of Commerce

Department	Commerce
Name of the activity conducted	Career Guidance Program on PG Commerce entrance exams 2023
Conducted date	20-01-2023
Resource persons details	U. Prasad, Lecturer in Commerce
Name of the Co-Ordinator	B. Viswanath, Lecturer in Commerce
Name of the Lecturers involved	S. Sreenivasulu Lecturer in Commerce
No of students participated	41
Aims & Objectives	<p>Introduction: I, U. Prasad, a lecturer in commerce, organized a career guidance program focused on preparing students for the APPGCET 2023 (Andhra Pradesh Post Graduate Common Entrance Test).</p> <p>The program aimed to assist students in successfully preparing for the M. Com entrance examination, ensuring they are equipped with the necessary knowledge and skills to excel.</p>
Report Objectives:	<ol style="list-style-type: none">Assessment of Student Needs:<ul style="list-style-type: none">Conducted surveys and interviews to understand students' current knowledge levels and areas of improvement required for APPGCET preparation.Identified common challenges faced by students in preparing for competitive entrance exams like APPGCET.Development of Comprehensive Study Material:<ul style="list-style-type: none">Created study guides, practice tests, and reference materials tailored to the APPGCET syllabus.

- Ensured accessibility of study materials both online and offline to cater to diverse learning preferences.

3. Delivery of Effective Teaching Strategies:

- Designed interactive sessions and workshops covering key topics in M.Com entrance exams.
- Employed diverse teaching methodologies such as lectures, group discussions, and mock tests to enhance understanding and retention.

4. Individualized Counselling and Guidance:

- Provided personalized counselling sessions to address specific academic and psychological concerns of students.
- Offered guidance on exam strategies, time management, and stress management techniques to improve performance.

5. Encouragement of Continuous Learning:

- Promoted a culture of continuous learning beyond the program duration through follow-up sessions and online resources.
- Emphasized the importance of self-study and regular practice to reinforce concepts and boost confidence.

6. Evaluation of Program Effectiveness:

- Conducted regular assessments and feedback surveys to gauge the program's impact on students' preparedness.
- Analyzed success rates in subsequent APPGCET exams to measure the program's effectiveness in achieving its goals.

Conclusion: The career guidance program for APPGCET 2022 aimed to empower students with the necessary skills and knowledge to excel in the M. Com entrance examination. By addressing specific academic needs, providing comprehensive study resources, and offering personalized guidance, the program endeavoured to maximize students' potential and ensure their readiness for the competitive challenges ahead.

This report highlights the structured approach taken to prepare students effectively for the APPGCET, emphasizing the importance of targeted guidance and continuous support in achieving academic success.

Brief report of the Activity	<p>The Department of Physics at Government Degree College, Rayachoty, organized a Career Guidance Program on APICET-2023 for admissions into MBA and MCA courses. The program was conducted on 1st March 2023 by B. Kiran Kumar, M.Sc, NET, SET, a dedicated lecturer in Physics at our college.</p> <p>Key Highlights of the Program:</p> <ol style="list-style-type: none">1. Overview of APICET 2023:

B. Kiran Kumar provided an extensive overview of the APICET-2023 entrance exam. He explained the importance of the exam and the opportunities it offers for pursuing MBA and MCA courses in prestigious institutions.

2. Syllabus and Exam Pattern:

Detailed insights were shared on the syllabus and exam pattern of APICET 2023. This included the types of questions, marking schemes, and important topics to focus on.

3. Preparation Strategies:

The session included effective preparation strategies, study plans, and tips on how to manage time during the exam. Emphasis was placed on understanding fundamental concepts and regular practice.

4. Resource Materials:

Students were informed about various study materials, reference books, and online resources that could aid their preparation.

5. Mock Tests and Previous Papers:

6. The importance of practicing with mock tests and previous years' question papers was highlighted. B. Kiran Kumar encouraged students to solve as many practice papers as possible to get a feel of the actual exam.

7. Motivation and Guidance:

8. The program also included motivational talks to inspire students to aim high and remain persistent in their efforts. Personal anecdotes and success stories were shared to boost the morale of the attendees.

Attendance: The program was attended by 44 students. The enthusiastic participation of the students reflected their keen interest in pursuing higher education in MBA and MCA courses.

Conclusion: The Career Guidance Program on APICET-2023 was highly informative and beneficial for the students. The detailed guidance and strategies provided by B. Kiran Kumar have equipped the students with the necessary knowledge and confidence to prepare effectively for APICET-2023. The Department of physics plans to conduct more such sessions in the future to continuously support the academic and career aspirations of our students.
